MAKE, SELL SHOES DIRECT

Established 30 years in Rochester, the A. Di Pasquale Shoe Co. lists one of the factors of its success the direct-from-factory-to-wearer service which is bringing comfort to many people.

Specializing in shoes for odd or deformed feet and those with arch troubles, the measurements for each customer are taken by experts. The company has a standing offer that each customer shall be satisfied or the money is refunded.

Having built a large clientele with this unique service, the company has the only factory in Rochester which makes and sells shoes direct and saves the in-between profit for the customer. Whether the shoes are for men, boys, ladies or children, the fittings are for the purpose of giving comfort and style.

Important to children with deformed or odd feet, the correct fitting enables the feet to correct the condition while growing. In many cases the trouble is overcome with shoes that encourage normal growth and development.

Out of the high rent district at 313 No. Union St. near the Public Market, the office is open evenings. The A. Di Pasquale Shoe Co. invites the public to visit the factory to observe the methods of manufacture. Only select grades of leather are used and the employees are expert craftsmen.

If you desire a certain kind of shoe, let Di Pasquale make it. Anyway, call at the factory and examine the quality of workmanship and style, comparing these factors with those in the shoes you have been obtaining. Then take into consideration the price quoted you will save money in dress and work shoes.

SEEK INDUSTRIAL EQUALITY FOR WOMEN

(Continued from Page 9)

of the various dioceses in their efforts to provide additional school facilities for our Catholic youth" invited member organizations to cooperate in an annual effort to raise funds for the maintenance of the National Catholic School of Social Service, promised the promotion of increasing numbers of study clubs, and through them the placing of a Catholic Book Shelf in every public library, called upon the local units of the Council to wage "a concerted campaign against the sale and distribution of all salacious literature, and protested against the lurid advertising carried in local newspapers in connection with publicity on motion pictures" renewed the Council's protests against the evils of blockbooking and blind-selling of motion pictures.

Urges Press Support

Calling a strong and alert Catholic Press a fundamental necessity, the NCCW adopted a resolution urgently impressing upon affiliated units "the need and duty to subscribe for and read and to assist in all practicable ways the Catholic Press of the country."

In particular, the resolution adds "we urge all to subscribe to their diocesan newspapers which not only print the diocesan news but through the Bishops' agency, the N.C.W.C. News Service, present the record of Catholic pronouncements, problems and happenings through the world. Thus will our women be constantly informed as to teachings of the Church and its activities, and as to the Catholic attitude on the great and pressing questions of the day. Only thus may they be fore informed and thus fore-armed against the evils that arise with such insistence and rapidity in these critical days."

FRANCISCAN MISSIONARIES IN EGYPT

The Franciscan Fathers have always been great missionaries. We find them in all parts of the world. No place is too difficult for them and no work too lowly. The Franciscans are working in Egypt among the Copts. They are in the small villages as well as the towns. Out of sixteen million people there are only sixty to seventy thousand Catholic Egyptians.

Father Sebastian the Superior of the Franciscans in Egypt sent us this letter:

"In the territory assigned to us by the Holy See there are very few happy spots. There are entire villages where there is not a single Catholic. The Government is Mohammedan and not friendly. The people of the Separated Church are neglected by their priests. Our plan has been to go into a village and open a school for boys and one for girls. If there are any Catholics in the village, they send their children. The Orthodox or Separated people also send their children, because they know the Government schools are Mohammedan. On Sunday we invite everybody to Mass. Even the Orthodox come to us.

"As a result, we have today small Catholic groups in a number of villages. When possible, we open a small hospital. This act of mercy draws others to us. I really believe we will go ahead if we can continue our activity.

"So far, I have given you only the good news. Here is the bad. We must have help. The Sisters who teach and run the hospitals must be supported. We also must spend money to keep the schools open. Then again, we must have Chapel-Schools. Our Dispensaries cost money. So here is what I ask:

$30.00 a month for a Dispensary.

$20.00 a month for a Priest to live and work.

$10.00 a month for one of the Sisters.

"We can build a combination Chapel and School for $250.00. I have told my story. Won't you please help?

Can anybody refuse Father Sebastian? His people are so poor that they are hungry most of the time. They can't help. They are despised by their neighbors. Can you afford to keep the Dispensary open for just a month? Think of the good one priest can do in a month. Think of the Sisters. Surely you won't refuse to do something.

— • —

A CHALICE

Ten dollars will purchase a plain but durable Chalice in the Near East. We need many for our new missions.

— • —

MASSES FOR MEMBERS

The missionaries offer Fifteen Thousand Masses every year for our members. These Masses are offered for the living and the deceased.

— • —

MEMORIAL ALTARS

If you are thinking of erecting a memorial to your deceased parents, we suggest an Altar. Mission chapels should have decent Altars for the offering of the Holy Sacrifice. In the Near East, an Altar can be erected for Fifty Dollars.

Our Lady of Perpetual Help

The picture of Our Lady of Perpetual Help is a Near East picture. It is under this title that the Blessed Mother is especially honored in the Near East. A large picture of Our Lady of Perpetual Help for a mission chapel can be purchased for Five Dollars. Will you send Five Dollars? Next Monday is the Feast of the Maternity of the Blessed Virgin.

FOR ONE CHAPEL

Here is a gift for a Chapel:

A Missal
A Ciborium
A Chalice
A Set of Altar Linens

All four can be given to a Mission Chapel for thirty-five dollars.

— • —

YOUR WILL

When making your Will remember the missionaries. Put into your Will the name of the Catholic Near East Welfare Association. Our priests will never forget you.

— • —

A NATIVE CLERGY

The Holy Father has time and again insisted that the missionaries train the young men of the Near East for the Priesthood. He insists on a native clergy. For each one of our students, we need One Hundred Dollars a year. The student spends six years in the Major Seminary. That means we must have Six Hundred Dollars for him.

Will you see one student through the Seminary to Ordination Day? Six Hundred Dollars will do it. If this is too much, we ask you to consider taking care of a student for One Year—one Hundred Dollars. If you can't do it, then send us Ten Dollars and take care of a student for one month.

ANSWER THE LETTER

If you received a letter from us asking for your renewal of membership, we hope you will reply. Remember we ask only one dollar a year. Your membership does everything to the missionary.

THE LONELY MISSIONARY

The lonely missionary is shunned when we send him a few dollars for Mass. These offerings keep him alive and help to keep his chapel and school open. Ask him to say Mass for your intentions.

SPIRITUAL PRIVILEGES

Fifteen Masses a Month are offered every year for our members. These Masses are offered for the living and deceased.

— • —

YOUR PROMISE

Did you make that gift in honor of the Little Flower that you promised?

— • —

WHAT A CHAPEL MEANS

In our missions a Chapel can be built for Five Hundred Dollars. Just think what a chapel would mean to a center that now has only a hut. It means that the Blessed Sacrament could be reserved, that the Catholics would have a place to worship and that those outside the Church would have an opportunity of seeing the beauty of Catholic devotion.

The donor can select the name and the Holy Father will name the site.

— • —

CUSTOM OF GREGORIAN MASSES

Every Catholic should know something about the old custom of the Gregorian Masses. Our pamphlet explains the custom of offering a Mass every day for thirty days for some special intention. Write for it today.

— • —

ALL WE ASK

All we ask from our members is One Dollar a year. Surely that amount are no appeals or drives.
