

COLLEGE OF SAINT ELIZABETH

CONVENT STATION
NEW JERSEY

Located among the hills of Northern New Jersey, 30 miles from New York, the College of Saint Elizabeth combines a delightful country environment with ready access to a great metropolitan cultural centre.

The College is the oldest for women in New Jersey. It has been accredited by the Association of American Universities since 1917.

Standard courses are offered in eighteen departments leading to the degree of Bachelor of Arts. The curriculum for the degree of Bachelor of Science in Home Economics is designed for students interested in nutrition, clothing, interior decorating, and home management. The teacher training course qualifies students for certificates in the State in which they intend to teach. The pre-medical course covers subjects required by the leading medical schools.

A well organized extra-curricular program is carried out through the various college organizations, and there is ample opportunity for indoor and outdoor sports and social activities.
