GERMAN CATHOLICS FIRM IN FAITH, ARCHBISHOP AVERS

(Special Correspondence, NCWC NEWS SERVICE)

AMSTERDAM — Even if the struggle against Christ and the Church should continue and become intensified, we may count on the most imposing unity of faith, says the Most Rev Konrad Gröber, Archbishop of Freiburg, Germany, in a Pastoral issued to his flock thanks for the many expressions of loyalty and affection which reached him on the occasion of his recent fortieth anniversary of his ordination.

Both clergy and laity had taken up a very sizable collection and the proceeds were presented to the Archbishop to be used for the special studies of trained men. The Archbishop is deeply grateful for this demonstration of love for the priesthood as this institution of the Church goes to the very heart of the love shown in the many attacks the clergy has had to endure, and encouraged and steadfasted in time of struggle such as these.

The Archbishop exhorts the clergy to redouble their efforts despite all difficulties, "even though one might put us through the fiery trials and to make Christian truth, whether men receive like it or not par- ... the schools and outside the schools for which here that the ... fought for Christ and the ...

HOLY CHILDHOOD ASSOCIATION

Rev. Leo C. Mooney, Director
Rev. John S. Randall, Ass't.

Vacation is over, school has reopened. Now once again down to hard work and it will be hard work will not with the extra so close at hand. I wish you the very best luck in these tests. I am sure that the Babe of Bethlehem will help you who have helped Him by working so hard for the missions. However to make your success doubly certain I shall pray for you every day at Holy Mass.

You have returned to school resolved I know to continue your good work for the little pagan children of mission lands. They need our help so very much.

Did you know that about 700 babies are born each year in Shanghai? Many of these parents leave them to be tortured in the harbor and because they are so poor the bodies are frequently thrown over the side and drown.

We here at home can help these Sisters in their efforts to save them. At least it will be possible to bring them Baptism and open to them the Kingdom of Heaven. Let's join together then resolved to do bigger and better things for God's missions.

School Report

One might think that with school closed and all the children taken up with their holidays that we would have little or nothing to report. That idea is entirely false. For surprisingly enough even in vacation the Holy Childhood ... very active.

Adoptions:

St. Boniface of Rochester ... two sets with six ransoms. One ... grade of which there are ... has elected four Chinese ... named Mary Ann Thomas, Joseph and Jon Francis. The Eighth Grade elected an Indian baby called Kateri Tekakatha ... Fourth Grade, a Chinese baby, Ann Marie and the Sixth Grade a Chinese boy called Joseph David.

Two schools are tied for second place with four adoptions apiece. The boys and girls of the Nativity School in Rochester promise an adoption or more from every grade. Just to back up this promise they are second in the standings with four ransoms. Each classroom adopts a Chinese baby and they are naming their little ones Rose Mary, Joseph Michael, Paul Edward and Mary Gertrude.

And behold the other holder of second award. It is none other than St. Andrew's school. Truly we scarcely ever go to press without something to report from Portland Avenue Rochester. The rest of us must take off our hats to these boys and girls. They are setting a fast pace for us. This week they have ransomed four Chinese babies. The Seventh and Eighth Grades have named their adopted infant Victor Robert Davis, the Sixth Grade Francis Richard, the Fifth Grade Clarice Thibault and the Fourth Grade Joseph Andrew Randall.

Close on the heels of these schools comes St. Mary's of Elmira. Their letter tells us: "Our Christmas present to the Infant Jesus as the ransom of three Chinese babies. We would like at this time to have a little Chinese baby girl, named Theresa of the Child Jesus, and a Chinese boy and girl called James Collins and Jamasetta Collins." Eleanor Maloney and Claire McCarthy.

The following schools have each made returns for one adoption: St. Thomas, Summerville selects an Indian baby named John Joseph; the Fourth Grade of St. Mary's School, Corning, a Chinese baby, by name Bridget Ann; the Fourth Grade of Holy Family, Auburn, Francis Joseph, a Chinese boy, and St. Mary's, Rochester, in their first adoption have remembered "yours truly." Their Chinese baby is to be named John S. Randall. Many thanks to my little friends at St. Mary's.

Dues

Almost before our dear friends ... was in your hands we heard from two schools Holy Family, Auburn, $39.94 and Holy Apostles Rochester, $10.56. We do hope that you will try to settle up your dues now that vacation is over. We must depend on your 1 cent a month to carry along this activity. I just know you will not fail us, will you?

Designed for Use

The Holy Father has given the world the most comprehensive, specific and adequate program of social reconstruction that we possess. Other programs may have been more detailed concerning one or another part of the program, but none of them has been at once so fundamental, so well balanced, and so comprehensive." INTENTION: That all Abyssinians may Return to Union with the Church.

Ethiopia's Christians are commended to us for prayer in the mission intention designated by the Holy Father for January. Before the Italian conquest of Ethiopia the Christians belonged to the Coptic State Church, a schismatic religion. Catholic and Protestant missionaries were merely tolerated. Mohammedanism was suppressed, heathens were contemptuously despised. Now Italy has granted religious freedom to all confessions. We trust that it will be a boom to the Catholic missions and the prayers of many for this intention may be the means of leading Ethiopia back to the True Fold.
