#### Saus Workers Need Knowledge

liso there was the foreman who ugh forgivers on his debt of 10,-'00 talents, m. t a fellow servan' who owed nim 100 pence and cast him into prison because he could not pay it. Christ knew lutinately TENETS OF what the working men of the time had to put up with and He sympathized with them. Abraham Linpathized with them. Abraham Lincoln was right when he said God
must love the common people He
made so many of them.

Suite of Success

"This school is going to be a
great success I have visited the

New York school where my colleague, Pather Boland, is a teacher and nover have I seen men and somen so enger to learn, and so excited about doing it. There are many able laders in he labor movement today but thousands more are orely needed, if the laher movement is to be kept con-servative and follow the lines laid down in the Encyclicals. We need n and women who thoroughly understand and can clearly ex-plain the rights and duties of torkers as hid down by Pope Leo XIII and Pop. Pius XI, who grasp he ernical correopts upon which these rights and duties rest Only mon and women so trained can lead other workers and negotiat. with employers in such a manner that, to quote the gospels again 'All will be assozished at their wisom and their answers.
