Have you begun your Spiritual Quest? The Holy Father's Birthday! You know it falls on February 12.

During the month of February, Pope Pius XI asks us to pray for the "Untouchable People of India."

Now we're ready to give you the report on this week's activities... Well, can you imagine who's heading this list this time?

There's a challenge for you boys. What are you going to do about it?

Now look! We just can't keep up with them. You've guessed it. Our old friends of the Sixth Grade again.

Our friends from St. John's, Clyde, follow close upon their heels with three adoptions.

And "Our grade would like to adopt an African girl. To be called Mary Conilla.

That's the spirit! We want to adopt a Japanese baby, and we want to adopt it Tuesday after the Little Flower.

St. Margaret Mary's and Blessed Sacrament follow with two adoptions... TIERNEY FOOD MARKET

Do Blase of Mt. Carmel with a 675 total led the heavy artillery of his five Others on the team.

Still pleasing the leaders, St. John's team took the odd game from St. Mary's while the immaculate Conception registers did the same with Corpus Christi five scores.

Thinking they had their three-point advantage from the previous week, St. Boniface's bowling team was out of luck in the third by a wide margin.

COAL PLAN

Meeting the competition of all major companies, with prices fixed accordingly, the Kleeer Coal Company has a contract budget plan for its coal and coke customers.

The Kleeer Coal Company, 98 Clinton Avenue, specializes in Lehigh Valley anthracite. President Edward H. Kanneberg says that his experience of more than 100 years in the coal business in Lehigh Valley convinces him that the public wants good coal.

It is more economical to the long run and gives more satisfaction which means more heat. Many times the home boiler pays full price for poor or ordinary coal but when he orders Lehigh Valley anthracite from me, I see to it that he gets his money's worth says Mr. Kanneberg.
