

SODAL TALK

Congratulations to the officers and members of the newly formed Young Men's Sodality of Holy Apostles Parish...

Your Sodality must be affiliated with the Prima Primoria if you are to take any of the special indulgences that have been granted to Sodalists...

Another Sodality keeping the Catholic Press Month spirit and impulse, we think, by Union Press Exhibit, is St. Peter and Paul's...

Miss Molly Callahan of Buffalo will be guest speaker at the Pre-Lenten banquet to be held by St. Peter and Paul's Sodality...

The Young Ladies' Sodality of Holy Cross Parish will hold a reception for new members on Sunday evening, February 20...

The Apostolic Committee in Caldwell are collecting and distributing religious articles, repairing shoes, and making 'prizes'...

It is largely a matter of choice, testing with the bearings, but experience teaches that it finds his cross lighter who has learned to smile at his own miseries...

Learn the Latest Dances. Learn all the latest dances... Big Apple, Jeep, etc.

NEW spring stock has arrived at Fitzgerald Docks Store, 177 Broome Avenue...

Be a modern mother. Don't sit in every-day and fret about where your children may be...

BARNARD, PORTER & REMINGTON. Barnard, Porter & Remington features a quick drying machine...

HOT water when you want it—just a convenience and a joy only an AUTOMATIC GAS WATER HEATER can give you...

Best Cabinet. These stubborn broom-closet cases. How annoying they are!

NEVER have to do without clean, hot water. See it in your own home. It's the only way to get it.

Rochester Diocesan Council N. C. C. W.

Are you and the members of your organization cooperating with our students in the Third Annual Catholic Press Crusade?

The Knights of Columbus are giving us good example by campaigning in this manner for our diocesan paper.

IN ONE WE ARE

When one sees the towering antenna structure of a modern radio broadcasting station, he cannot help but realize that there is much more to the art than that which meets the eye.

Without going into the subject too deeply, here is a thumb nail sketch of present radio broadcasting. A program originates in New York City for instance.

Upon arriving at the transmitter, the electrical audio frequency pulsations are superimposed upon the radio frequency signal generated by the station's transmitter.

Man being human has a few faults. A very few perhaps his most condemning fault is his weakness toward procrastination.

There are more Catholics in Germany than in the United States. Do not harbor a sense of wrong.
