If you feel bad when a tube burns out in your radio receiver, just think how much a transmitter tube costs and you will immediately feel much better. Fr. Coughlin Answers Communists

Opposes Forming of Labor Party Lacking Christian Principles
DETROIT (NC) — While I have stood, and will continue to stand on the side of Labor, I will oppose wholeheartedly the adoption of un-sound remedies which ultimately will render Labor's position even worse than it is at present," the Rev. Charles E. Coughlin, pastor of the Shrine of the Little Flower at Royal Oak declared in his radio address Sunday.

'RED' UNKNOWN TO PERSHING

(Continued from Page 1)
The wife of an Army Major from Fort Oglethorpe took the floor and denounced his appeal for funds. Whenever I have the opportunity to stop propaganda like this from being spread in America, I will do so. I am not addressing the remark to Pershing the soldier, but to the audience.

Spain Leftist Party Sponsors Are 'Time'-'Life' Officials

Catholic Magazine Questions Fairness of Secular Journals

UNION CITY, N. J. Printing a facsimile of an invitation to a party for Loyalist Spain, held in New York City last month, the March issue of The Sign magazine, published here, asserts that seven of the nine persons whose names appear thereon as sponsors were important positions with Time, Life and Fortune magazines. All three publications are issued by the same concern, Time Inc. and all three have the same editor. The assertion is made in an editorial signed by the Rev. Thomas Maguire, Editor of The Sign.

BID TO A LEFTIST PARTY YOU ARE INVITED

TUESDAY JANUARY 18TH 4 TO 7 O'CLOCK
AT THE HOME OF MURIEL DRAPER 144 LEXINGTON AVENUE
RALPH BATES AUTHOR OF 'THE OLIVE FIELD' 'RAINBOW FISH' ETC. WILL SPEAK

The Sign asks whether this group of publications "see no blot on impartiality in the open, active sponsorship, by some of its prominent members, of Loyalist Spain." The Sign adds: "If personal opinions do not count in any way, our public would be interested in an invitation. Will an equal number of the staffs of these magazines, in equally capable positions, sponsor a party for medical supplies for the civilians of Nationalist Spain?"
