Geneva Hospital Board Elects T. K. Fahy

GENEVA.—Thomas K. Fahy was elected to the Board of Trustees of the Geneva General Hospital at its meeting, which was held on Monday afternoon, Feb. 21 to elect the vacancy created by the death of William Kitchell. Mr. Fahy will complete the unexpired term, running until December 31, 1939.

HOLY CHILDHOOD ASSOCIATION

Rev. John S. Rendell, Director

Our Medicine Drive during the past month seems to have gone "over the top." Already many schools have made their report. We would like to have you attend to this as soon as you can. You know the medicine has to be packed at the office and then sent on to China. Please don't delay your supply too long.

I do appreciate the way all you boys and girls worked in this campaign. It shows very clearly your love and devotion for the children of God's Church. The medicines and bandages which you have collected will mean a great deal to our priests and sisters in China. It will bring thousands into the Church. Doesn't it make you feel good to know that your work has won souls for Christ?

March Project

I am planning a Newspaper Drive on the month of March, running on 15th April. All the arrangements have not been completed. I think Sister will be able to tell you more about it next week. This is a work in which all can join. Mother is getting ready for her spring house cleaning. No doubt, there are many newspapers and magazines in the cellar or attic. Collect them together, tie them up in a neat bundle and Sister will tell you when and where to take them. All it will mean is just a little extra work. Judging from your past record, you will be only too glad to pitch in and help. Don't stop with your own home, go next door, go to all the homes in the neighborhood and ask them to save their newspapers and magazines for you.

If we all put our shoulders to the wheel, we can make a big success of this drive. Yes, I think that we can collect as much as three hundred tons of newspapers. That would mean about two thousand dollars for the Mission Box. What a lot of money! What say? Let's get going right now!

Weekly Report

Well, this has been another big week in Holy Childhood activities. I really am at a loss for words. Your constant efforts to realize the great success of our mission work leaves us almost speechless. I only hope that you will not grow tired in working for such a wonderful cause.

Margaret Mary's Rochester team has been doing a home stretch this week. Just because their name has been missing from this column for a few weeks, is no reason to suspect that they were asleep. If we had that idea, they are here to put much a thought out of our minds. No less than ten reasons! That's real home-station goodness hard work. "Tells it." We begin with the Eighth Grade and go right straight down the line with the following adoptions: Eighth, a Chinese girl, Margaret Mary; Sixth, another Indian, Teresa. Fifth still another called Joseph; Fourth Grade boys and girls, two Indians, Anthony and Margaret; Third Grade, a Chinese girl, Margaret Mary; Second Grade has two babies, a Chinese boy, John, and an Indian girl, Mary Rose; and last, but by no means least, the First Grade ransoms Bernadette a little Indian.

The Fourth Grade of Holy Apostles School, Rochester, wants a little Chinese baby called Mary Ann, after the Blessed Virgin and her Mother.

The boys and girls of Holy Ghost, Colerain, adopted a Chinese boy and named him Joseph after their Pastor.

The boys of my class wish to purchase a baby. We would like to name him Lawrence Gannon. We hope to purchase more babies in the future.

Robert Barretto, 3rd Grade, St. Mary's, Corning, N. Y.

The students of St. Mary's Commercial have given us a hard this week. They have adopted a Chinese baby and named him Leonard Kelly. We do thank them for helping us, don't we?

Dues

We do love to see those letters coming in with a payment of your dues in the Holy Childhood Association. That keeps us able to get around and interest other boys and girls in this work. We were entirely satisfied until every one in the whole Diocese is working. We want to thank the schools that pay their dues last week, namely: Mount Carmel, Rochester, \$28; Nazareth Hall, \$15; St. Agnes Institute, \$100; Holy Trinity Webster, \$100. How about your dues as soon as possible?

Nazareth Hall

If you counted the number of adoptions record, you found fourteen. Do I hear you saying that that isn't many? Well, give your eyes on this. The boys of Nazareth Hall handed their report for the past school term. Since September they have ransomed twenty-four pagan babies. That does bring up the activities of the week, does it not? We are sure are proud of these boys and girls. Sisters who have encouraged them to such marvelous Mission action, I am certain that we can all take lessons from them, and try to imitate their example. More power to you boys! Keep up the good work!

Errors

I fear that our column will be dubbed a "Comedy of Errors." We are forever apologizing for mistakes. This week we ask the pardon of two little girls (read the "Seven Joy Club" of St. Peter and Paul's School). Their names were misspelled in last week's paper. Will Mary Gaine and Mary Jane Stussell please excuse us?

Do you have this paper to a non-Catholic after reading it?

An Ear for MUSIC

Most interesting program to be heard this week is that of the Civic Orchestra on Sunday evening. Major John A. Warner, Superintendent of the New York State Police, is to appear as guest soloist. Internationally famed as a concert pianist, Major Warner has elected Cesar Franck's interesting "Variations Symphoniques" as his solo number.

Included in the remainder of the program will be the Weber "Eurydice" Overture, the sergio from Dvorak's "New World Symphony" and Berlioz popular and stirring "Rakoczy" March.

Other important musical dates: **SUNDAY EVENING, MARCH 6**—Civic Orchestra; Guy F. Harrison, Conductor. Major A. Warner, piano soloist.

TUESDAY EVENING, MARCH 8—Eastman School Symphony Orchestra; Paul White conducting and the Rochester School Orchestra; Herman Lehman, Conductor. No tickets required.

TUESDAY EVENING, MARCH 10—Rochester Philharmonic Orchestra "Third in the American Concert Series"; Dr. Howard Hanson conducting.

With Boys At Play

Genevieve Institute

The story is all set for the first Annual Settlement House Volleyball Tournament which is opening at the G. I. Saturday, March 5, beginning at 1 p. m. The Father Vogt trophy will be in possession of the champions each year until one permanent possession of it. Charles House, Lewis St. Center, and Genevieve Institute, Baden Street Settlement, Merrimac Center will all field strong teams.

The Cadets, boys 11 to 13 years of age, played at the J. V. A. last Tuesday and played a game of soccer against the J. V. Juniors. The game was close and hard fought all the way and not until the last 6 minutes of play did the more experienced Juniors win with a score of 4-2. A return game will be played at a game at the YMCA against their juniors will be played soon.

Athletes still continue to lead the basketball league at the Genevieve Institute. A last-minute rally enabled the Genevieve players to whip the second-place Niagara. The first-half champs, the Quins, got back into the winning column by defeating the Falcons 27-20 and thus pushing them into fifth place. The Quins led their third straight game by a two point margin to the Eagles.

Merrimac Center

The Merrimac Center Junior Volleyball team is in practice for the forthcoming Settlement House tournament. The following boys are practicing twice weekly and all are fighting bravely for the severe prize of a gold medal. Angelo D'Amico, F. Lanning, M. L. P. Pasquazi, F. Mandite, J. Palermo, C. Legz, J. Barry, J. Flynn, R. Michel, J. Conella and R. Coolidge.

The foul shooting contests for the juniors and seniors groups will get under way this Friday.

A craft class is in progress every Monday afternoon for both the Pe. Wees and Cadets. From 4 to 5:30 a large group of boys have made change purses, belts and key chains. A boy's club survey, taken recently at Merrimac by Boys' Director Francis Minella indicated need of a scout troop. Out of 40 boys between the ages of 11 and 17, it was discovered that only 3 are scouts. 24 boys have no desire to join and the 13 remaining are anxious to become scouts. The following men, all willing to serve on the new scout committee, met recently to discuss plans. Dr. Louis Lapi, Dr. Francis Diederich, Mr. Stephen Joy, Mr. Squire Small principal of No. 48 School, Mr. Sam DeAngelis, Mr. Ignatius Raimondi and Mr. Nicholas Zons.

Ward Rolls 621 To Top K.C. Loop

Johnny Ward's consistent rolling netted him a 621 three-game total, this week for high score in the Knights of Columbus Bowling League.

Jack Kinney finished second with a 538 total, while Gene Ausling had to be satisfied with third place after bowling a 487 total.

Nels Owen's Klites held on their lead by defeating the Santas. Gene Ausling's Klites jumped into second place one game behind the leaders, by defeating the Pirates. Purillans led by Ed. Schoenemann won three straight from the Ninas, putting the former in the running for the championship. Guards took their old lead in the Pirates.

High single game scores were: Ausling, 231; Motkel, 234; Ward, 234, 204, 200; Minichart, 214, 200; Fitzgerald, 201, 200; Kinney, 201; Klen, 231; Gavanhan, 209; J. Schonenmann, 204; E. Schonenmann, 202; Scholand, 220 and Fitzpatrick, 207.

The Vatican contains some of the world's finest examples of art and library is considered as the most important and valuable in the world.

KLEER ICE CO.

Coal—Coke—Fuel Oil

COAL VALUE

There is no better coal than Lehigh Valley anthracite and there are many kinds not so good," says Edward H. Kanneberg, president of the Kleer Ice Company. "My experience of 15 years in the coal business has convinced me that the public wants good coal. The householder who orders coal, not stating any particular kind, may wonder why he does not get enough heat, or why the coal does not last. Many times he pays full price for poor or ordinary coal. When he orders Lehigh Valley anthracite from me, I see to it that he gets his money's worth. I believe that the public is becoming educated about coal, that is, why so many of my customers insist upon Lehigh Valley anthracite."

In the present location, 984 Chitt Avenue, for eight years, the Kleer Ice Company is expanding its business because of satisfactory dealings. It also makes a specialty of Rochester Gas and Electric Company coke, which is found dependable and satisfactory by many users.

Meeting the competition of all major companies with prices fixed accordingly, the Kleer Ice Company solicits accounts for its contract budget plan. Giving free service to all customers, the householder will be advised how to get the most heat out of furnace or boiler and, if it needs fixing, it will be put in working condition without charge.

MODEL WASHER

There is one model of the A. B. C. washer which is the complete home laundry unit. It washes, rinses, blues and damp-rides the clothes and the clothes are clean and whiter than the owner expects. Mr. Ralph Buchholz, proprietor of the Washer Service Shop calls attention to the savings in time, money, clothes and effort which the A. B. C. gives. Also as agent for the Ray and Ann washers, he can supply any model desired at a price which will be helpful and economical.

The Washer Service Shop, 809 North Clinton Avenue has a service which is unique. If anything goes wrong with the washing machine, a man will be sent immediately to make repairs. The shop is reached by calling Main 5826 or Stone 5024.

It is helpful to know that the Washer Service Shop is available. A complete line of parts for all washers is kept in stock, so there is no delay or that account. If a wringer roller is needed it can be installed in a few minutes.

Zenith and R. C. radios and record players are also handled and your vacuum cleaners will be repaired. Estimates are given on all items and no solicitors are employed.
