IMMACULATE CONCEPTION  
(cont page of this section)

CENTER of Catholic life in the City of Ithaca, the Church of the Immaculate Conception receives deserved homage from the whole community as it opens the second century of Catholic ministrations. Coincident with the commemoration of the first mass celebrated in Ithaca 100 years ago, installation of a new marble altar in Immaculate Conception Church has been completed. Great beauty and deep significance is concentrated in this focal point for the devotion and faith of loyal parishioners. The recent consecration of this altar symbolized a Catholic contribution to the civic welfare which the City of Ithaca is proud to honor at this religious season.
