=By ART KELLY=

If any of your little boys have musicians you had better have them take up the trumpet That way it is cheaper if a survey of value of the atringed instrumerats in the NBC Symphony Orchestra means anything. You can buy a fine trumpet for shout one hundred fifty dollars. but if you decide on a violin an Amati or a Gagliano, for instance it means parting with soveral thousands of dollars. And if your want to go the whole way and buy a Stradivarius or a Guarnezius-well, the piggie banks is im for a terrible shake-

When the National Broadcasting Company assembled the fifty -odd musicians in the string section of the NBC Symphony Orchestra they also assembled something more than three hundreck thousand dollars worth of instruments, with an aggregate age of something like ten thou-

sand years.
Mischakoff concert. masters and Stefan Sopkin first violin, play on two of the most prized instruments in the world. violings freezem the hands of Antonio Stradivarius Mischak-off's violize were it to be placed on the market, would be something like fifty thousand Gollars

The United States gots a firm. hold on a place in the field of international short-wave broadcasting with the completion of two 25,000 watt transmitters soon to be put in service by the National Broadcasting Company Installed at Bound Brook, New

Jersey, the new transmitters will enable American radio programs to penetrate every country of Europe and all parts of South and Central America. Radiation will be accomplished by four directive beam systems and two non-directivo antennae, occupying twenty-four acres at Bound

NBC's incernational service, the resuzzet of manore than a decade of experimentation in shopewave transpoission, is given hours a City The recent improvements. In apparatus and program cechnique, have been igned to answer the challenge of claborate and powerful shortwave systems operated by European revernments.

The backbone of the NBC service is news, broadcast in French German and Italian six-teen times a day Although tome of the NBC network shows are also carried over statation are also carried over statuton WINAL an increasingly large portion of the program schedule conmists of entertainment prograres built especially for the peopsie covered by the service

There is one fellow that has never gotten very far on an NBC network He is Dan Cupid This is bow it happened A land was in love with a lass who kved in Hungary He couldn't go over to Europe and couldn't get into America. "ls it possible to get married over a radiso hook-up" he asked NBC in a letter "I have a girl in Hangary and I want to marry her, but I cannot go to Europe and she can't corre over in the present quota. She will have to wait for around three years, but if I could marry her she would be able to come outside the

A new Monday afternoon programs on WHAM is the WHK Revize originating in the studios of WHK Cleveland On the air from .2.30 'til 3 00 the variety program features Louis Rich's orchestra. Don DeWirst, bari-tone. Tiny Baker, soprano, the Harmonaires sectet and the Gol-den Chris Trio. The WHK Revue Es one of the first musical programs to reach afternoon networks pointing the way to the interesting entertainment scheckuled for summer afternoons

Tuesday May 10. Ireene Wicker. The Simging Lady, will present the Hans Christian Anderson fairy tale "The Mermaid" As usual, musical background to the presentation will be supplied by Miss Wacker's brilliant planist, Maliton Retterberg

A sman has been discovered at the National Broadcasting Company studios in Radio ('ity who the biggest ears in the world. He is Robert E. Smith. head of the Music Auditions division of NBC, who Listens to more than 2.000 musical auditions of The reference to his ears is of course wholly figurative Small estimates that nearly 4,000 requests for auditions are received at his offic Requests which are preferred in letter form, are given every consideration, and applicants with some professional background or ra-do experience are readily grant. ed appointments. He is emphatic in posinting out that people who live iza out-of-the-way places are not exacourazed to come to New York for andditions. "If we started accepting requests from every city in the United States," he said. We would be responsible indirectly for causing many heartaches.

Anyone wise reflects seriously on his past life. will, no doubt, easily remember talk that fills him with

CATHOLIC SOCIAL MEET STRESSES Pope's Teachings For Justice

(Continued from Page 1) was inevitable NRA col-

lapsed. experiment was right and just and I do not hesitate to say that if labor had been admitted to an equal place with management in NRA in fixing wages, hours, price es and output, with the government acting as chairman to represent the public. NRA would still be here teaching us year by year now to evolve a same social order and evon a Christian social order Meanwhile there were being hed various sectional meetings. which attention was turned to the problems of particular bodies of

nt-day questions. As it swung into action Sunday the National Catholic Social Ac tion Conference had the warm commendation of its "high purpose" from the Holy Father as nveyed in a communication from His Emin nee Eugenio Cardinal Pacelli, Papal Secretary of State It also had the prayers of rais Ex cellency the Most Rev Amleto Giovanni Cleognani Apostolie Dele gate to the United States, that it rould "inspire and prepare leaders in this field of Catholic action

ndividuals and to specific pres-

7,000 at Opening liam Mor- than 7000 persons aftended the opening Mass in a setting marked by color and grandeur A distinguished array of the Hierarichy was present to take an active

part in the proceedings To the color of the soiting was added the grandeur of the ediffice itself transformed from a public meeting hall into a great church The sermon on Religion and Economic Lif "was delivered by

Archbishop Stritch "We have invited you to gather here these days," and Archbishop Stritch in sounding the keymate i his a rmon "not so much to disuss the origins and nature of the maladies which afflict the body so cial, as by discussion and interchange of experiences to learn better the application of the Chris-Remedy which alone is po ent to restore social health and

Tragic, indeed, it is to see many then, driven by their very distress roject the pharmacon of the Church, but that they know noth ing of it We shall rest content if this Conference results in so for iliarizing you with this Remedy that you will lend yourselves to spreading a wider knowledge of it and its wider use It will provas effective to relieve the nalacties which greviously tarm nt industrial zed democratic society as in other days to give new life to social forms, fitting and need-ful for the time"

Quotes From Encyclical Quoting Pope Pius XIs assertion that the Social Question is the difficult problem of human soli darity Archbiship Stritch said nowhere has it been stated more

brefly and comprehensively.

Nine thousand ('astholice thronged the Milwaukee Municipal Auditorium for the general mass meeting that concluded the first

day
. The throng completely filled the main arena and overflowed into the actiacent halls. They started come at 6 o'clock, shortly be for the doors were opened, and continued to stream into the huge hall until the opening selections of the Festival Singers signaled the of the program

The crowd was a heterogeneous a mixture of men and women in their finery and their hamble vorking cloth s

The program itself was brief It was confined to the two addresses of Archbishop McNicholas and Mr Kenkel The whole program last d less than two hours

Fillowing the speaking program Seemin Benediction of the Blassed Sacrament closed the serion With the hush of reverential foousands the Host was raised in blessing and the benediction of the Most Sacred Host was imparted to the kneering audience Patron of Social Order

The Church the Pairon of a Christian Social Order was dis cussed by Mr Kenkel Saying that the pagan world to which Christianity came "knew no compassion with the poor and opproved" and made "the mass of the workers the (hurch to end slavery to .stablish guilds "in which the just price prevailed in the market-place" and its work in modern

Teachings of Popes Archbishop Mc Nicholas in his talk on Pius XI Teacher of a Christian Social Order" discussed some of the outstanding principles 25 Saturday-Pro-Cathedral-Pontifical Mass for Graduates of enunciated in the social Encyclicals of Pope Leo XIII and Pus XI He showed how Plus XI during his whole life has championed a Christian Social Order, his two most notable writings boing the Quantragesimo Anno, in which he reaffirms the social teachings of Leo XIII, and his Encyclical on Athe-

unemployment in our country and its serious consequences to the social order His grave concern is to make the whole world recognize the right of every man to work honestly and to work under human conditions and to receive buman wages which will allow him eithe to maintain his family in resodest comfort and reasonable security or to give him the assurance that he can marry and found a home under these conditions. The Holy Father's social concern is to strengthen the family economically and spiritually, and so bring about a lasting reform which will benefit both State and Church.
