LEFTIST DESCRIBES Depth of Religious Faith in Red Russia

BASLE, SWITZERLAND—The persocution of rallson in Soviet Russia is nothing but a whole sories of "shots in the air" if compared to the deptate of Russian re-ligious life, says the Russian ex-pert of the local Nationalizations who signes with the initial "Wr" who signes with the initial "We" and is known as periode the outstanding authority on Russian affairs among all Carman-language writers in knope.

That this opinions should be oxpressed in a libertal daily which fragonly show and online lack of sympathy for the Catholic Church and is often hollment to take sides with leftlat elements anakes it the more remarkable sand valuable.

with leftlet elements makes it the more remarkable sand valuable. The writer plusts out that, according to the fowlet paper Kensesselskaja Frands, in the Ukrains not true ungli "goodlene cell' continues to operate. This must be compared to the 2,500,000 members the modified countered in that province only received in that province only received.

In the tradior concerning of Navy-zin, the writer continues, the work-ers had all their chaldren baptised last Master, not early the newly born, but also true children who had not receive time flactament of Baptism during time last ten or twelve years, in Microscow carnival shows years, in amoncow carnival shows were specially arranged by the godiess to counternot the Hauter delebrations of the Orthodox Church, but of 80,0000 "youth ploneye" of the "Shilims factory" only 3,000 took part.
