Want to find out how much more zip and snap has been built into your car? Change over to Fire-Chief gasoline for 30 days...exclusively.

Fire-Chief gets you started quicker... gets you out in front and keeps you there.

Fire-Chief is not an ordinary gasoline. In the first place, it was developed to meet the extra needs of emergency veluicles. Fire-Chief was made to give ambulances and fire engines a source of extra power they could always count on.

Here's another thing. Texaco engineers have matched Fire-Chief gasoline to prevailing weather. No matter what the weather may be, you can be sure of top-notch performance and satisfying mileage.

Yet Fire-Chief costs you no more than ordinary gasoline.

Change over to Fire-Chief now. Use it for the next 30 days ... exclusively.
