Grade Aquinas Campus For New Sport Field

Work to provide better facilities for outdoor athletic activity on the campus of Aquinas Institute is being hurried along this week, to get the field in the rear of the Dewey Avenue structure ready when the fall term opens.

A combination scoop shovel and tractor is being used to level off the campus to furnish suitable grounds for football, tennis courts and a baseball diamond is expected to be included when the work is finished.

The grading process is expected to be completed in about three weeks when the grass will be sown. The Rev. W. J. Murphy, C.S.B. Director of Studies of Aquinas said today. The Very Rev. John H. O'Rourke, C.S.B. principal of the school, is out of the city this week.

With the public high schools going in for football it is possible Father Murphy said that the Aquinas team will use its own field for its regular games in the future.

The Basilian Fathers in charge of Aquinas Institute have a well-rounded program of physical activities planned to round out the regular school curriculum. The Rev. William J. Keenan C.S.B. is athletic advisor and John T. Sullivan is Director of Athletics.

Scot Plans Mass Of Thanksgiving For Glider Record

LONDON—A little more than eight hours after he had won for Great Britain the world's record for a two-seater glider flight by staying in the air 12 hours 13 minutes, Flight Lieut. W. B. Murray attended Sunday Mass at Dunstable, Bedfordshire.

When Mass was over he walked into the vestry and arranged with the priest, the Rev. Esteban Thos, C.M., of the Church of the Immaculate Virgin, for a Mass of thanksgiving.

Murray and his co-pilot had battled wind and rain and were stiff and weary when they landed, but were cheered up by the glare of auto lamps. Efforts to drop them food from another glider had failed.

Lieut. Murray, a Scot, is in the Royal Air Force and last year broke the world record for a glider distance flight.

Germany previously held the two-seater record with 21 hours and two minutes.

Faith Stories For Little Ones

By REV. HENRY GIBSON

ST. ANDREW THE APOSTLE

St. Andrew, the elder brother of St. Peter, and the first of the Apostles whom Christ called, followed his Divine Master to heaven by the same royal way of the cross.

It is related that when he was led out to be crucified, as soon as he perceived at a distance the cross on which he was to suffer, he cried out, in a transport of love, "Hail, precious cross, that hast been consecrated by the Body of my Lord, and adorned with his limbs as with rich jewels! I come to thee exulting and glad; receive me with joy into thy arms.

"O good cross, that hast received beauty from our Lord's Limbs, I have ardently loved thee; long have I desired and sought—thee; now thou are found by me, and art made ready for my longing soul. Receive me into thy arms, taking me from among men, and present me to my Master, that he, who redeemed me ON thee, may receive me BY thee."

So saying, he gave up his body to the executioners, and finished his holy life by a glorious death.—Butler's Saints' Lives.

You perhaps do not know, my dear children, that, as St. Patrick is the patron of Ireland, and St. George of England, so is the Apostle St. Andrew the patron of Scotland; and the cross which he loved so ardently has always a place on her national flag.

Americans shouldn't dread war so terribly. Hasn't the double-feature craze proved conclusively that we, as a nation, can take it?

INDIAN BOYS GO

To Stella Maris For Surprise Visit

The boys camping at Stella Maris this week were treated to an unusual privilege when two Indian boys accompanied by the Rev. Bernard Cullen, Director (Senior) of the Marquette Leagues, and the Rev. John S. Randall, Director of the Society for the Propagation of the Faith, visited the boys camp on Conesus Lake Monday night.

Gathered about the evening camp fire, the boys sat with rapt interest as Father Cullen recounted for them the history of the Iroquois tribe to which their visitors belonged.

With eyes almost popping out of their sockets they enjoyed the antics of their Indian entertainers, even joining with them in a war dance.

Aloysius Chief Crow, grandson of the famous Indian Chieftain who joined with Chief Sitting Bull to repulse the advance of the White Army commanded by General Custer, made the others envious as he twirled and twisted a brief.

Father Randall, commenting on the visit said: "The boys of Stella Maris demonstrated their missionary interest that has been engendered throughout the school year. When the campfire was concluded, they hurried to the white cottage that they might personally greet these Indian boys, products of mission sacrifices.

"Many of the campers prized their love of missions by sharing with their new friends a bit of their vacation spending money.

"We feel definitely sure that on Monday evening will remain in their lives as a red letter day and that each will return to his school fired with a new zeal for the missions of the world."

MISSIONS IN ETHIOPIA

One Hundred Converts Received in One Village

Exodus presents many problems to the Catholic missionaries. The Christians of Ethiopia belong to the separated Coptic Church. Their clergy are poorly trained, the people are uninstructed and their religion is a mixture of Christianity, Judaism and paganism.

Father Peter Vella is the Superior of the Catholic missions in the section of Gondar. He writes:

"During the last year we have had more than a hundred converts in the village of Debra Tabor. At first the opposition of the separated clergy was very bitter but now, thanks to God, we are going ahead.

"Our converts are attending Mass in a small house. It is not possible for all of them to enter the house. When the weather is not too bad, we have Mass in the open.

"A short time ago, I was given a plot of ground for a chapel. About fifteen men have promised to work for nothing in the building of the chapel. I also believe we will obtain the materials very cheaply. This means we can build a large chapel for Six Hundred Dollars. I say large because I am convinced we will have a large congregation very soon. This looks to me like very fertile territory. My brother priests agree with me."

This opportunity must not be lost. It is a chance to do something really big. In years to come when the village of Debra Tabor is a thriving Catholic center, some reader will have the consolation of knowing that he or she helped. Will you answer? Make it a memorial to your deceased relatives.

THE LONELY MISSIONARY

Ask the lonesly missionary to say Mass for your deceased relatives.

For a Chapel

A Set of Vestments — A Chalice
A Missal — A Ciborium

All these can be given to a mission chapel for Fifty dollars. Make your gift a thanksgiving offering.

FOR OUR MEMBERS

All our members, the living and the deceased, share in fifteen thousand Masses every year. A special Mass is offered every morning at the Vatican for the deceased members.

GREGORIAN MASSES

We will gladly mail you a copy of our pamphlet on Gregorian Masses if you write us. The pamphlet explains the old custom of offering thirty Masses—one each day for thirty days—for one who is deceased. There is no charge for this pamphlet.

OUR MISSION SCHOOLS

At this time of the year the missionary is repairing his school and planning for the next term. Will you help him? A Catholic school is so necessary in the Near East missions.

Send us Five Dollars to keep our schools going.

YOUR DECEASED

Enroll your deceased relatives in this Association.

NATIVE PRIESTS

Six Hundred Dollars would pay all expenses for six years for a young man of the Near East who is studying for the Priesthood. After six years in the Major Seminary, the young student is ordained.

Would you help the missionary Bishops to train native priests? Some day your student would return to preach and administer the Sacraments to his own people.

One Hundred Dollars would support a student for a year. Ten Dollars will support a student for a month.

YOUR WILL

When making your Will, do not forget the missionaries. Put into your Will the name of the Catholic Near East Welfare Association. Our missionaries will never forget you.

PERPETUAL MEMBERSHIP

Why not become a Perpetual Member of this Association? Our Perpetual Members share not only during life but after death in fifteen thousand Masses every year.

The offering for Perpetual Membership is Twenty Dollars.

SITUATION SERIOUS

Our Shrington Gift Fund was never lower. This is very serious. So we ask that you send in offering and tell us to use it as we see fit.

OUR LADY'S FEAST

In a few days, many of our readers will commence Novenas in preparation for the Feast and the Assumption. We hope they will pray for our work during that time.

A large statue of Our Lady suitable for a chapel can be purchased in the Near East for Fifteen Dollars.

THE PURPOSE

Our work is to support the Catholic missionaries in the Near East. They are trying to bring back to the Church of God the people of the Separated Churches. Our territory is the Near East. By Near East we mean Greece, Albania, Jugoslavia, Bulgaria, Roumania, Czechoslovakia, the Ukraine, Russia, Turkey, Armenia, Syria, the Holy Land, Iraq, Arabia, Persia, Egypt, Eritrea, Abyssinia and the West Coast of India.
