SEES FASCISM MENACE

Mexico City.-Warning that there is definite danger of fascism gain-ing control n the Unted States was voiced by John L. Lewis, chairman of the Committee for Industrial of the Committee for industrial Organization in addressing 50 000 persons here. The meeting, held in the Municipal Buil Ring, was of the International Congress Against War and Fascism. Denouncing by name the "Silver Shirts," the Ku Klux Klan, the Black Legion and the German-American Bund, Mr Lewis charged that fascist tendencles have been evident n the United States even in rural areas.
