The CATHOLIC COURIER has my most enthusiastic approval

The annual conference is becoming an old institution

The training of teachers with proper pedagogic preparation

Frequent conferences do much toward enkindling in the souls of teachers

Shortly after the start of the Committee for Industrial Organization

The ultimate objectives of the Communists in this direction

After speaking of "the record of our Party as a union builder"

The present difficulties besetting the CIO seem to bear out the contention

What a Combination! Signs on an Omaha window

Most The two Catholic nuptial masses followed each other in close connection

Exactly as she appeared, the bride arrived, coming for the second wedding

For just a second he thought that he'd missed the wedding by an hour

One of the more effective weapons of the strike, the sit-down

But the fact remains that the Communists have persisted in their efforts

With over 15 of the Rochester parishes represented

Speaking at the Catholic Men's Federation meeting

Ultimately a man enjoys nothing but religion

They who turn from the light of religion quickly lose sight of the rights of man

feels sorry for me. He knows what I'm going through

"My only hope is that Father Flanagan likes what I'm doing

He's the man I'm putting on celluloid. May the luck of the Irish hold true"

Rev. Benedict Ekmann

A Strange Record

ALONG THE WAY

By Rev. Daniel A. Lord, S.J.

We were glancing through back pages in the record book of the Port Wayne Cathedral

The year 1898 was strangely charmed. There were almost two past of names, burials all of them

Which meant, of course, "Another Irishman was buried"

Speaking of Records The introduction of old age pensions and old age insurance

You're a woman stays eighteen years for several years and forty later on that she did

All in a breath I've always felt that if parents had the courage to start talking

The very wise mother of a seven year old was approached by her child with a kitten in her arms

"I'm going to tell Katherine," she said, and was off to talk it all over with her little playmate

What a Combination! Signs on an Omaha window: "Adaline's Barber Shop"

Most The two Catholic nuptial masses followed each other in close connection

Exactly as she appeared, the bride arrived, coming for the second wedding

For just a second he thought that he'd missed the wedding by an hour

One of the more effective weapons of the strike, the sit-down

Thank God I Am A Catholic!

Thank God I was born of Catholic parents raised in the faith

Thank God that my Church is open to me every day of the week

Thank God that when calamity I have sought, not, surrounds me and strikes me down

Thank God when I have transgressed I can confess my sins and not let them fester

Dear Father, in Heaven, through Jesus, thy Son and my Blessed Redeemer

He cites in the first place Gregory IX, who in the sixth century "conscientiously" jeweled the rights of the Jews

FATHER THURSTON (C) cannot in truth be maintained that every individual component of the See of Peter
