

### AQUINAS POINTS FOR INITIAL VICTORY Over Rugged Frosh Of Monteaigle Ridge

By WHITZLER WHITE  
Their talons sharpened by a hard week's victory over the St. Edmund Frosh, the Purple-clad Froshmen of Niagara for Aquinas on what promises to be the most hard-fought game of the season.

With a hard hitting full-back line averaging 180 pounds from end to end, backed up by a alert stepping secondary led by the triple threat back, Korch, the Engle yearling pack power, speed and deception.

Coached by Joe Reagan, a former Niagara football and basketball star, the Frosh are determined to maintain their string of victories over the maroon team. Over in the Dewey Avenue camp of Johnny Sullivan's anxious band of Fighting Irish, they are just as determined that this is the "Year" for Aquinas.

The Maroon backfield will probably start with Gallagher calling signs, Landry and Winkler as the half and Finer at fullback. Give the backs daylight to shoot at and Aquinas will have a better season trying to check the Irish attack.

The off-tackle smash, and tricky reverses which always characterize the Sullivan coached team, hold true. Football thrills for the largest crowd which will turn out for this "football classic."

The Frosh guys will undoubtedly be out for "Moose" Landy whose rushing runs featured the Frosh wins by 18 to 12 over the victorious Hobart Frosh, while the Maroon defense will be set to hold Korch. No serious casualties have been reported by either team, and chances are that both eleven are fit and ready to go.

### Blackfriars Acclaimed In Season's Opening Play

"Abby" before she left Saturday evening and with the same gleam in their eyes and the same cheerfulness in their voices, the Blackfriars presented "The Last Christopher Columbus" on the stage of the St. Vincent's Auditorium.

On the program and in the play was "Abby" but to the audience and the cast she was THE Helen Menken, stage and radio star of the big time who graciously manner and capable cooperation with "the best cast" she has played the particular comedy with.

The professional talent of Miss Menken in her part of Abby, the trusting simple but powerful character that was "Abby" was matched by Dr. Haggart, a country doctor troubled with an ambitious family and Mrs. Bean's part played by John W. O'Connor. He made the doctor very believable every minute he was on the stage.

### Holy Childhood Association Rev. John S. Randall DIRECTOR

We have been reminding you from time to time, boys and girls, that next Sunday is Mission Sunday. It is the greatest day of the year for you and all others interested in mission work.

Of course you know that this day is being observed not only in our own country but in every nation under the sun. Under the blistering sun of Africa, in the war-torn China, amidst the jungles of India, among the jewel-studded islands of the South Sea Islands.

Have you been talking up the Missions at home? And how about your prayers? Have you said them every day? And above all are you ready to receive Holy Communion on Sunday for the missions? That is our greatest work! Let's not forget it.

Perhaps some people will offer objections to the mission work which you must suggest for them. They may say why should we (Catholics or Jews or whatever they may be) take care of themselves? Well, you can answer "that" can't you? Sure you can! Remember, they are hardly any more than yourselves. And who hasn't gotten the mission in our prayers?

It does become a rather painful subject these days and we would do nothing to speak of them only if they are as necessary in carrying on this great work.

Let Sunday be the day for the prayers of the Holy Childhood Association. We are always asking them for money for the missions. You can tell them that that is no excuse. We aren't asking for any great big gifts.
