## Holy Family Gridders Score 7-0 Win In Finale

AUBURN—Climaxing one of their best seasons, the Holy Family High School gridders defeated a strong Marcellus team 7-0 at Falcon Field last Saturday afternoon.

## Holy Childhood Association

Rev. John S. Randall DIRECTOR

How about the turkey? Hope you didn't make gridders of yourselves yesterday. It'll be that I could look in on you this morning, you're all stretched out on the floor trying to recover from overeating. Did you stop to think as you pulled that big fat bird apart yesterday of the little mission children? They had no such thing as turkey and cranberry sauce and all the trimmings. No, sir, most of them were lucky if they had their usual bowl of rice or millet.

Now we don't mean to begrudge you your fine celebration. Not in the least. But we do hope that you had a thought and, better still, a plan for the less fortunate children of the Holy Childhood Association. Some have started already their letters to Santa Claus, their plans made for presents, and so forth. The great day is best enjoyed by those who plan to give rather than to receive. Surely there is no better gift than a pagan baby offered to the Infant Jesus on His Birthday. Let's all get busy, then, and try to have just as a present before school closes for the holidays.

**Weekly Report**

Say, what happened to things last week? It was just so dull around here that we have scarcely a thing to tell you. Were you so busy getting ready for Thanksgiving that you did not take time for the Christmas, or maybe you are laying back for Christmas. I surely hope that the latter reason is the true one.

Well, we do have something to report. Our old steady, just won't let us down, you can bet St. Andrew's, Rochester, refuses to be absent at any time from this column. How about your catching up with the first of the week they didn't think that they were going to lead the park but that is just what they are doing. They arrived with three adorable Christmas babies from the Fifth Grade named John, Thomas, and another from the Seventh Grade North and another Chinese girl, whom they are baptizing Mary Carmel.

"This time we would like to adopt a little Chinese. Please name her Mary Elizabeth." "Fourth Grade Girls, St. Andrew's." And then But hold everything! Who's this galloping on at high speed? Well, look who it is! It's the Fourth Grade North with their Chinese boy named Donald Louis. Welcome to you all. Keep up the good work.

Then comes another lovely and true friend St. Boniface, Rochester.

"We have just bought an adorable baby. Her name is Mary Ann. We are very pleased to think we have saved a soul. We hope to convert many others to the Catholic faith." Sixth Grade, St. Boniface.

LOST Between Columbus Civic Centre in Rochester and St. Mary's School, Corning, New York, Father Randall. He is supposed to be at St. Mary's Wednesday, Thursday or Friday. The reward offered is the ransom of five Chinese babies to be given to Father Randall when he is returned to St. Mary's, Corning. He may have the Corning, the wrong way.

The militia and the state police have been called out in search of Father Randall. When last seen he was reported on his way to Corning, New York. A farmer just outside of Rochester reported that a car was stuck in a big snow drift. The authorities are in hopes that this was his car, and as soon as they are able to break through they will have something more definite to report.

Anyone having information as to Father Randall's whereabouts is asked to call Stone 4013 or write the Lost Strayed or Strayed Department, 50 Chestnut St. Rochester, New York.

While the No. 1 team of Rochester knights were defeating the No. 1 club from Elmira, the Rochester Ter knights bowling group managed to outbow Elmira Rochester No. 2 five.

Following this match a dinner for both teams was held at the Cadillac Hotel. A \$150 tribute was paid to the memory of the late Charles J. Richards, a member of the Elmira K. of C. bowling aggregation.

The Klute led the odd game to the Klute as while the Guards were taking three from the Ninas mately through the spearheading of Jim Sullivan and Herb Nicol who had 90 and 87 respectively.

Turkeys were won by Tom Gavanaghan and Herb Nicol.

High individual scores were: Owen 242; Austin 20; 202; Jim Sullivan, 211; John Sullivan, 211; Morny 211; Raym 202; Morrow, 202; Kinney, 202 and Shultz 200.

**Baseball Career In Offing for Wardynski**

Stan Wardynski, stellar performer on the Polish Penna basketball team, is looking forward to June and baseball. He has played on several ball clubs in the course of the past few years and held a position on the Franklin Reserve team. He is a right-handed batter and plays an excellent line.

When spring rolls around, he will head for Owasquillo of the Kitz League.

During the winter he is performing on the concert with the Klute. He has a fair eye for the hoop, knows how to pass and check and possesses the ability to set in one-handed shot.

For direction Stan practices basketballs, being quite adept in basketball. Ken French, Harry McTigue and Guzman Wiig.

While most American women worry about taking off a few pounds, most European countries are worried about being taken off the map.

There is St. Vincent de Paul, Corning with 21.22 and the Third Grade South of St. Andrew's, Rochester, with 14.50. How about following their example and building your dues along this week? We'll be looking for them.
