POST

Sama Magelssen Ylvisaker

Et hwith a great deal of pleaswas that we introduce to you this week the above mentioned young leady. You of the WHAM radio nucciont inny hard he for a nucciont inny hard he for a learn time, but we wager that you did not know her under the de-limited Norwegian name of Sara Mangelsen Xivishter, Ye, it's a resel name and not a type setter's erzor But let's get on with our Introduction.

Mainy years ago the young lacky in quaetien was born in the three ving city of Melbourns, accor-tion Ha. Elser father was the time is. Her father was the Armerican Consul at Melbourers. Descing the first six years of her life life. Hits fars lived down tender. There came a change of locumic and, on to the Norway of Armerica, St. Paul, Minn. Bor eight years the family lived in the middle west, where has begann to deevie a later life weat to misse her destiny. Nest came a kenn journey to London and Switterland, with plenty of strady in both piaces. Then hade, to Armerica and New Jersey. By inline line the young lady had acquiried a fragther love of the stange armed its times soon arrived when armit the times soom arrived winers after entered the American Acad

energy of Dramatics Art in New Yearth sare sindled there for two yearth and during those years had an supportunity to see many of the are supprinciply to see many of the farmous aried near farmous broadways stars. Then came the finish provides of the farmous broadways stars. The came the finish provides of the point back, her innered and upon being toold, her innered to the electric bill with Trianter in lights. Think up a good short name." There siege atruck girl eyed in the quickent way possible. Show a light some of her Dramatic selment from a second specifier and seem a manner thank welld appeal to samy directive was a shower and firm played the first part. Her heart yesself was a first part. Her heart yesself was a live ment too preduce.

pengreiner aire pairt. Het ment toe predient-liver suicine of summirer slock in Nome Jiriege. The thesite wens wanting and radio was comlang later in every. A tip here and there as madition in New York and the advice, "Get out and greit and the activity of the part all yet can absent relicional them report back to man and perhaps we will have something for you." The lacty tooks the activity and packet have believelying, hopped a train and whom the came to her destination it was Roctissis, N. Y. Tant here and has become one of the best commentators on fahlous, feeding and fade in this city.

The is this young lady with the Norwegian name? Nome other than Joan Harding commentator for the Sibley, Lindway an Cluf Co. Tower Clock Programs, leared over WHAM at 8:45 freeza, marca over the mine the con-flowers flatfling was the name than the also pooked that day in New York whereas her frature was in the beatthere John has naver returned for that other audition in the Me with things and plays many important parts in the Rochester Community Theolies productions. James to write it, as will an apparatus the writes it, as will an apparatus the altern, and sinops for many of her put will saw Markey and Markey and Markey and will altern and sinops for many of her put with the Markey Ma long: Wy From Melbeurn, Auss-tralism to Roscheiter, N. By Rev. Dr. Joseph V. Thorning = and John V. Hinkel ===

The spiritual renaissance sweeping through Nationalist Spain is described in this article by Dr. Joseph F. Thorning and John V. Hinkel. An article on the future of the New Spain being established by the Nationalist Spain.

BURGOS SPAIN—The extraordinary religious renaissance now surging through Nationalist Spain is another major indication that the spiritual life of the new Spain will be a healthy and vigorous one.

Intelligence on the spiritual life of the life spain will be healthy and vigorous one.

In advancing this conclusion about the New Spain being forged by the France Clevernment, the war. The sold test of their terror are guided by two primary considerations. The first of these is every indication that they will meet this test successfully and that many Protestants who, for its the attitude of the Nationalist flourish.

Partition in Ireland as it has done in Pelestine.

Orange Order Oppesing

The Rev. Eugene Coyle, of Devenies will meet this test successfully and that many Protestants who, for the special control of the Nationalist flourish. Government toward religion—an attitude that is friendly, construc-

tive and cooperative.

The second is the attitude of the people themselves. Throughout Na-tionalist Spain the traditional religious seal of the Spanish people

but the Bishop smid that the re-port of the Rev. Dr. Owen B. Maguire, who lived im spain and had recently been there, convinced him that democracy would be "safer in the hands of Frazgo than in the

the hands of Frames than in the finance of those on the other side."

That the Bishop knew that only it has suffered cruel blows in other as small percentage of Catholic priscores. Priests trapped in Left-circles in our state penal institutions ever had received parcointal school training was substantiated from the churches have been professed. Houses are being searched for school training was substantiated from the churches have been professed. Houses are being searched for school training was substantiated from the churches have been professed. Palleton in the churches have been professed of substantiated of the churches have been professed. Closs ever had received parochial school training was substantiated by the Rt. Rev. Megr. William F. Bergan, Chancellow of the diocese and former chapitals at Auburn of State Prison, who said that only 10 per cent of Cathollos in Auburn in his time there as chapitain had received Cathollo training.

To the question as to whether the principle of a school system in permitting the teaching of naxiam, athelatic Communium would be applicable to parochial schools, the Bishop answered that in the paro-

sathsistic Communism would be applicable to parochial schools, the ligious buildings have been deben an invalid for years.

Bishop answered that in the parochial schools into stroyed, damaged or turned into chial schools no ome is allowed to garages, public tollets, bakeries, at Armagh Petty Sessions for paresent, preach or propagate anypresent, preach or propagate any-barracks, stables or munitions de-marching in front of thing subversive to the American pots. Uncounted thousands of art through an exclusively tradition of free democracy. If they were, he declared, he would be among the first to advocate closing of the perchial school

#### CONCERTED DRIVE AGAINST PARTITION In Ireland Alarms Northern Government

DUBLIN. — The increasing mementum of the drive against Partition is plainly alarming the Northern Government.

The series of anti-Partition meetings scheduled to be held in the North has been banned by the Belfast Government and every attempt to hold a protest meeting has been thwarted by the police. But by a ruse, the large demonstration planned for Newtownbutler was held at the other end of the County Fermanagh, at Carriforce at the deserted Newtonbutler.

flourish.

Spiritual Riches Increased

The war has brought incalculable spiritual riches to Nationalist added that as the Orangemen opficial riches are crowded and religious services frequented and were the first to take advanduring the day as they have not been in decades. Public and private devotions have increased a hundred-fold. And most important of all markans there is sometime to the country, but when that unity and religious services frequented and were the first to take advandaring the day as they have not been in decades. Public and private devotions have increased a hundred-fold. And most important of all, perhaps, there is tangible evidence on all sides that the people are trying to live full Christian lives and to accentuate social justice and the construction of the country, but when that unity is obtained, he said, they will be equally anxious to accept its benefits.

people are trying to live full Christian lives and to accentuate social justice and the corporal works of mercy. They seem to appreciate sow that neglect of the two latter obligations was a principal source of discentent among the underprivileged and did much to bring on the revolution.

Cahir Healy, M.P., charged the Northern Government, by its Special Powers Act, is an great a menace to age-old rights as any Continental dictator. He further asserted there is no such thing as constitutional government in the on the revolution.

While the Church in Spain is

moked or destroyed. Religion is a social club in Armsgh were that territory lives on, however, searched, sent to the police bardoistered in the hearts of the racks and placed in the cells for faithful.

The material losses of the Church eventually released but the remainin Leftist Spain have been appalling two were sent to Belfast Jail.
ing. Marxist assessing have murdered at least 10,000 priests and Re-ligious and tens of thousands of house of one of them, the grandlay Catholics. An estimated 25,000 mother, aged 55, was taken out of the churches, convents and other religious buildings have been despited by the police although she had

district after a Gaelic Football
Match in aid of the Prisoners' Deendents' Fund. The offense was that the boy was waving a fing dis-playing the colors of the Keady Michael Dwyer's Football Club On inquiry at the police station, P. Agnew, M.P., South Armagh, was told there was no charge against the youths. He will ask a question on the subject in the North-

\$65,000,000 Given To Irish Hospitals

DUBLIN - It is announced that as a result of the twenty-five aweepstakes held in this country for the benefit of the hospitals a sum of over 13,000,000 pounds has been raised for their exclusive use and construction.
