Family Questions Answered

By WINIFRED THOMAS....

Without a set of ruling motives for daily living one's hours are apt to run away in fruities efforts tonding to create an insideus stimosphere of pessimistic depositionary. It's flumen nature to glamosphere of reading day with a discerning eye and when our general average is in the RED, shrugit off as we will, we start to sink in our own estimation. Without his own self-respect man is a soury creature. Too many of us formet Christ's words: "ASK AND YES SHALL RECEIVE." We torget that God is very much concerned about the daily personal live of us all. Forgetting, despondency makes us reluctant to go forward fear-lessly; to realise that risking with God is the glorious privilegs as well as the stern duty of every individ-

Dear Windred Themes: In im Door Winitred Themas: I'm im-my late foresties, have reach steadily wish a man few reach my senior for over three years, and "tentatively" engaged. AS through 1938 we talked marriage; often he pleaded elepement, spe-cially when we'd be out in him-our. He's a Christian, set af-dicate with any church distracar. here a carraina, he me-filiated with any church, claims we're teladly unprepared for mar-riage, can't afford a family, yet suggests we marry, I keep may job. When I balk at the he rages, stalks, it ends up by our stepping some place on the way hence for a little drink. If nothe-or knew I sock one drink, she'di be heart-broken, but don't siving Besides the letters urging the keeping of the Spanish Embarge sent in the name of our more than 20,000 mgmbers to the President and to our Semators and Representatives in Congress, we have also written representatives of our sixty affiliated organizations, diocesan officers and chairmen who are on this for I'm wise to what responsibilities instead of planresponsibilities instead of plan-ning for them as a real man-must. For over a year she's bean praying that I break with him and her prayers must be chang-ing me for Fm asking myell if life as he plans wouldn't be a mistake. One difficulty is my fine position with the firm he's also with. You know how ollo-tions co-workers can be. Will itous co-werkers can be. Will prepinquity make my work tee embarrancing? Will I be viser to resign? What say you? Work State Secretary.

Dear Friend: As long as you live thank God for the wonderful mother He gave you! In your place were elected for the coming year:

Responsibilities of life lank tha all responsibilities of life lacks the necessary mane, cheerful, well-balanced outlook and will develop into grace of God, there's a price—tag an irritable, irrational failure, on everything? Ever think of the Russian Revolution her father and "Religion in the Home" is a You're in the main tent in life; religious life for yourself?
twenty-one of ter relatives were splendid series of leaflets prepared stay there. If you think marriage darling!—there's urgent need our vocation and St Jounh

> Dear Wimifred Thomas: I'm not as happy as I feel God deires me to be. 1.—I've been offered a different position and while at first it went't pay as good a solary as my present work its future is far ahead of this work; far shead in a truly fine way. I want to accept, yet, in justice to hone-folk haven't lest I be a wee hit dependent on them for a year or more. I think and feel not, but the "blue devils" get me and I wender what if . 2.—My love-life is upset; I seem to have the lure for men who like to go stepping in a nice clean jolly may but who aren't out for marriage Frankly, I'm for marriage, set just any man at all, I wan a real man. Men wall about the "girls like father married," but I tell you I'd welcome a man like my dear smother married. And how!. Please tell me if I'm a down a very determined young decent man, turned him down often; finally turned him over to a girl friend. She and I planned it all, it wasn't an easy job. Howover, prayer and action won for Christman Eve, after midsight Mass, he proposed and was ac-cepted. He's not the only man I've conventionally shoved off my Life's Map. I'm no raving beauty, heart-breaker nor seductive simbut I seldenn if ever need go alone. But the rean I look and long for is mowhere to be famil. hy me, to diste. Threw eut a life-line. Say sanything. I'll under-stand. You're surely The Light in the Winsdew for many of us girls and women. Do answer.

Dear Friend: Risk with God acent the work that carries les ish, more opportunity for finer future. No one ever takes one step towards God that He doesn't take two towards that person. Read that again! The new position, that so many would give an eye (al-most) for may open up new ave-nues on which to meet the class and type of men you favor, that your long firse letter reveals would be more congenial. You mild wisely regarding that determined young man. God will reward you for selling stock for your shy girl- will star in the coming becuts.
friend, Life is a boomerang and Victors of the last toxxxx m friend. Life is a boomstang and if God Intends you to marry when tweets named as follows: in the if God Intends you to marry when tweets named as follows: in the least you expect it around a conset service group: bantanweight, Baill of your Life's Road will come the Papalla; featherweight, John Marry high-minded forward-stopping man.

In looking over any man delete the delinking man is a poor weight, Leo Pollo; middle-deinkers! A drinking man is a poor weight, Joe Malone. In the young delinkers! A drinking man is a poor how group, those between 9 around risk; check this with some haur ance Company. Continue as a firuner Company. Continue as a firits years of age, were S-poursed, change jobs risking with God and if marriage is your vocation play to St. Joseph. MARY loop her hand upon your shoulder, always.

Callos. Yes, write again.

Der Winifred Thomas: I lock for the Commier weekly to real

so ther he messes. E realizes you have many letters but de amuser. Teday I have to writte agains en another problem: I filmlehed high school last June, so ther no work, soak eften, wryspen says they want experienced helige. Cann you tell me how I'll become exceptioned if no one sives were exceptioned if no one sives we arrive. has warked but see entire year in the last five is se discouraged. I know I shouldn't complain, but it gets me down to mit at knome, help with the work, embrasider, never have a cent four clothness or ual All of us need a set of ruling motives for daily living: ASK AND YE SHALL RECEIVE! recreation, My parentin have been grand but they ou't sufferd wither plane. I have siting around, or myself to sleep. Whent's going t become of our generation? used to do all the four my used to do all this four my dear sistor, now we're in their name Boat. I know I shouldn't despair but I'm easily human and admose bareat-ing with the boy-friented it merems as if I'm outle it he cold allone. I dear't go about walking frant to you E only if think I messed a little happiness, not raisforthems all the little. Please this research. off but my desire for work in't all for myself. I'd like to he p at home and I'd like to make a future for myself. I'd approximate an fu-ture for myself. I'd approximate an answer please. Good bless you for emocuragement; incorp it up; it's morded.

Massachus Dear Friend: Your first Batter hasn't arrived. Despite all the

hard knocks your remerations receive you can make every dry count for progress It's not easy to answer your fine letter four the reason that LIFE IS CHA NOE and your generation is in for real changes that may look drast scally unfair to each one personally. If you'll peer behind you in the days
WHEN OUR ANC ESTORS
STAINED AMERICA'S SOIL RED
THAT LIBERTY MICHT NOT
PERISH FROM THE EAFTH you'll view personal problems from a different angle. Like it or not it's questionable if many of our young girls will ever have the opportunity to "make a facture" such as you mention. We're not for going BACK but to go FORWARD one must face facts. Why not draw up a "newest" schedule? Get pad, pencil list what you want from life, what you're willing to give from life, what you're willing to give for this, how best to start get ling it, how, when, where to operate. This isn't as simple, or as foolish as it sounds! How long are you going to live? Where do you want to end up, for etenity? Do you know that HEAVEN ALONE 18 TO BE HAD FOR THE ASKIT OF Do you realize that sawe for the recruits in that field Letters per in asking, begging, pleading, for advice on how to land a JOB when GOD'S OWN BUSINESS is 80 woefully understaffed. Understand us; We're not for all youth entering religion. Marriage is one of the seven Sacraments and it needs pure, brave, gallant, suredy recruits who will live and it live, who will STICK, who will work at the daily task of being a succenful partner and parent. What this you of night school? What do you read? Ever go to the Catholic Rental Library? How far are you from your nearest public library? You and nearest public morning to a your nice elater could man out a schedule that later might heelp others. Look earnestly to your own needs, to home duties, to de-veloping daily in sympathy, sincer-ity and sacrifice. Not until indiwid-urals cultivate these virtues will our world grow better wiser, nobler, more humane. Our world grows better because of persons conse-crated to high-thinking and chearitable, not philanthropic, deeds.
What do you think of preference being given our boys in JOHS?
This, so that if marriage is your vocation, later one of these employed men may marry you. 'Read that again . . . and yet spain. Will you be a daily Communicant for six weeks and then write again? You can revent you life-pattern even though you don't land an oxitistic job. And no prayer is ever left unanswered. God, knowing the future, gives what is best for you and me. Write again reparding the boy-friend if you wish; that letter not received. MARY and you; keep asking. Grow in like-mone to God. W. T.

Dear Readers: Our small hast swamped us. We do inswer every letter. We shall answer you, socon. Thanks for so many good wishers. God bless you, all. W. T.

and to the Spanish Republic This anddress was given in Washington moveral days ago.

"The fall of the Spanish throng," he said, "had been preciseded by a long period of diseast-infaction with the monarchical results." mino, during which the perty of mino, during which the perty of mitalledizate working for the matablishment of a Republic mond. and were inwise enough to ac-sept the aid of forces that have electrosed them. "At my first interview a Yew

"At my first interview a Tew Carry after the Proclamation of the Republic with its then Proceedings in the Processional President, Senor Alcala Zamors, I took occasion to remaind him and to warn ins of this foreign invasion and its purpose. I told him I believed that is the societing circumstances his Cavenment was the only surety than the first the contract which thereign in the property of the contract which is not provided that is not provided to the contract of the contract o Cor sider: that it ought to be sup-ported by recryone and that I would make representations in

that sense to my own Govern-ment and urge recognition of the Spanish Republic at an early date. But I acided an expression of my positive knowledge that since the departure of the King the Spanish frontiers were c.en, that no passport control was en-forced; that every train crossing the frontier from France was bringing scores of subversive agents from abroad, and I pronounced these words to him: Your Excellency should realize that these people are coming not to support your Republic, but to destroy it. He did not seem much, disturbed by my appre-hension, but assured me that the situation in hand, and then went on to _claim on the smoothness with which the change of Gevernment had been brought about.

Burning of Churches. "He asked mas if I had ever heard of such a wonderful revolu-tion which had come to pass with auch ease, with no resistance. I said: 'We have to thank God for that; and when he remarked par-ticularly on the absence of blood-ahed I had to reply shortly, That will be for the future. It began some six tecks later with the distime the excuse of inability to control has repeatedly beer given for continuity outrages. What are we to think of a Government that cannot govern and admits it by offering its inexpectly as an ex-

orders attending the burning of churches, ecleminatical buildings and schools in Madrid and the provinces, particularly in Malage; not it is true, by Government or-der, but by an unruly element, largely foreign and composed of the very people about whom I had warned the Fresident, which the Government either could not or would not control. Since that
