

Salute to the Golden Jubilee Crusade

Entering upon its 50th year of continuous publication, the CATHOLIC COURIER is to be congratulated on both its long and noteworthy career and on the signal service it has rendered to the communities of the diocese in establishing and maintaining the annual Students' Catholic Press Crusades.

The Golden Jubilee Crusade this year will again demonstrate the value of these annual endeavors in developing goodwill and constructive cooperative effort in every community in the Rochester Diocese.

Such efforts render a distinct service,—not only to the Diocese and to the newspaper which serves it,—but to all the people in the entire area in which we live.

As business and civic leaders who are proud of our community spirit, we are pleased to cooperate in encouraging and contributing to the success of this Golden Jubilee Crusade!

Business and Civic Leaders Cooperate for Crusade Success!
