

THE LISTENING POST

By A. SIMON

There are about 100,000 people in the world who are listening to the voice of the Holy Spirit...

When the Holy Spirit speaks, He speaks to the heart of every man...

It is the duty of every Christian to listen to the voice of the Holy Spirit...

The Holy Spirit is the Comforter, the Advocate, the Spirit of Truth...

He will lead us into all truth, and will abide with us and be in us...

Let us listen to His voice, and we shall know the truth, and the truth shall set us free...

For the Spirit of God dwells in us, and we are His temple...

Let us love one another, for love is the fulfillment of the law...
