#### For the Priesthood

Six Hundred Dollars will see a young man through the Major Seminary. Then he is ordained a priest. Share with the Church the honor and privilege of training a native clergy in the Near East.

#### LAKE TANA MISSION GROWING

Father Villa is the present Apostolic of Godard's in the Tana. He has asked to be appointed to the Tana. The proposition when he works are supposed to belong to the Separated. Father Villa is a little taller than the present Father. In the region of Lake Tana we have strange ideas about religion. In spite of that they are friendly and attractive. They have a reverence for the priests. A priest is respected in what we have seen. They are poor and they are hungry.

#### CREGORIAN PAMPHLET

We are glad to mail you a copy of our pamphlet on Gregorian Masses. It explains the old custom of saying a Mass every day for a year for one who has died. Write for a copy. It is free.

#### A CHILD

We do not like to see a child suffer. Yet the greatest calamity is a child who is not growing up with the best of care. In our mission the priests are trying to give every child a Catholic education. Will you help? Five dollars will take care of a child for six months in a mission day school.

#### SHOULD NOT BE USED

A box of boards, a set of glass plates for candles, and a set of plates for candles. This is absolutely necessary. Some of our missionaries have nothing to burn. Wouldn't you like to give them something? A dozen plates can be ordered for fifty dollars, and a crucifix and a pair of candlesticks can be had for seventeen—all for \$67.00.

#### STATIONS OF THE CROSS

Many persons make a practice of saying the Stations of the Cross daily during Lent. Help spread this devotion in the Near East by providing a set of Stations for a mission chapel. The cost is only Ten Dollars.

#### MASS VESTMENTS

The vestments worn by some of our priests in the Near East are a disgrace. They are spoiled and patched. They should be burned. Make some poor missionary happy by giving him a set of vestments for Easter. We can supply them for twenty dollars.

#### YOUR WILL

If you are without a will, the State will distribute your money and property according to its own laws. When you make a will, remember the missionaries. Put into your will the name of the Catholic Near East Welfare Association.

## Nazareth Presents Annual Symposium Here Sunday

Annual presentation of the Catholic Collegiate Symposium will be made Sunday evening at 8 o'clock in the auditorium of Nazareth Academy, Lake Avenue.

### Sodal talk

Unusual interest is manifested this year because the important topic of American Democracy is to be discussed. It affords the public an opportunity to become familiar with fundamental rights and duties in a democracy.

Before we tell you one bit of gossip, have you made arrangements to attend the Pontifical High Mass for Sodalis in honor of Our Lady's Annunciation on Saturday at 12:15 at St. Peter and Paula, March 25? Official word has just been received that Archbishop Hickey has been invited by Bishop Kearney to speak. Will you see all Sodalis!

Another Sodality Study Club on the Marks and Attributes of the Church is reported this one at St. Patrick's. We hear also that the Sodalis are singing at the Wednesday night Lenten devotions in Church and the March issue of their Sodality news sheet will be an anniversary number.

The Eucharistic Committee of Sodality Union wants to remind all Sodalis to join in the Crusade for the Holy Land. The committee also has the Novena in preparation for the Feast of St. Joseph, which begins today, March 10.

Sacred Heart Sodality is sponsoring a series of Sunday evening religious discussions in the newly erected parish library. Students from Nazareth College are leading the discussions.

Every Sodalist in Rochester in the audience of America's Passion Play "Veronica's Veil" That's going to be our slogan from now until Palm Sunday. The play is a worker's get busy with those tickets and make every effort to dispose of the small amount sent you. More may be obtained by calling either Mrs. Mary Larkin or Anne Phillips. This is a spiritual enterprise which we are most anxious to make successful. Remember you may sell your tickets to those other than Sodalis, but be sure to sell one to each Sodalist.

Many Rochester parish Sodalis are planning to attend the Rally in Geneva on March 11 when Father John O'Connell will be the speaker. If you are planning to go please call Anne Phillips immediately so we can make definite arrangements.

Just to prove how powerful prayer we have a little note here from Mary O'Grady, Chairman of the Apostolic Committee of St. Alphonsus Sodality in Auburn. Mary tells us that her very popular young secretary, Rose Byrne, has been seriously ill with the doctors giving up all hope of her recovery and saying that nothing but a miracle could make her well again. So her sincere and loyal Sodality friends prayed very fervently to Our Blessed Lady, received Holy Communion in a body for her every Sunday until now, she is well on the road to recovery. They are all so overjoyed and so are we here in Rochester. Mary that they wanted to publicly thank our Lady for having saved one of her most faithful young Sodalis.

Here's something of interest to every up and doing Sodalist. The Ninth Annual Symposium of the Western New York Sodality Conference will be presented at Nazareth Academy on Sunday, March 12 at 8 o'clock. Unusual interest will be shown this year because the important topic to be discussed is American Democracy. Elizabeth Moran representing Nazareth College will speak on "Personal Rights."

In the spirit of "Catholic Press Month" the Immaculate Sodality had as guest speaker at its annual Communion Breakfast Miss "Penney" Brennan one of Rochester's most active Sodalis. Miss Brennan showed very clearly in her talk how and why Catholics should read and spread Catholic literature. About one hundred Sodalis went to Communion at the nine o'clock Mass and then went to the luncheon for the breakfast. Miss Patricia Hart acted as general chairman, and was assisted by the Misses Dorothy Gliden, Betty Sarnon, Dorothy Kelly, Jean Collins, Lois Glaze and Rita Greig.

## Holy Childhood Association

Rev. John S. Randall DIRECTOR

How gets every little thing this morning? No doubt you are busy observing the holy season of Lent! Just think two weeks and more have already passed by. It hasn't been so bad, has it? Well, has it? Don't you say you haven't really begun to keep Lent. I'm afraid that I can almost hear some of you blub. Yes, I said "blub." That's how evident your embarrassment is if you haven't done the little things expected of every good Catholic boy and girl.

How did my suggestion of building a chapel in some mission country strike you? I had hardly finished telling you about it, when I received later a week Father J. J. Jollet of Holy China, Father Jollet is a relative of that famous explorer who with Father Marquette was the first to sail the length of the Mississippi River.

The Province of Hoppe in China has just been established. It is in the midst of the war. Yet I have a frequently told you, the war has increased the number of Chinese seeking instructions to become Catholics. He has a whole village preparing for Baptism. And he tells me that it will be necessary very soon to build chapels in many of the villages. The cost of a small church is about \$1,000.

Let's see what the postman has left for us today. Gosh, the old mail pouch really looks good this time. It's bulging over all around. It's so heavy you can hardly lift it.

Oh, but hold your horses a minute. Just caught a note here on my desk. It says: "Don't forget St. Patrick's. The other day Father Crimmins came into the office with ten great big dollars from the boys and girls attending the religious instruction classes at St. Patrick's, Rochester. Those children decided upon two Chinese babies and agreed to name them Patrick Joseph and Mary Ann at their baptism."

I'm sure that you are just as proud of these newcomers as I am. Remember they attend Public School No. 5. But that isn't stopping them one little bit. They're working their head off for the missions. I know because I was down there the other day and saw their enthusiasm you never saw a warning to others. Watch out they're going to make things pretty hot for you and unless you're on your guard, they'll break you on the head. Well now let's peek into the mail bag, Ah Yes!

The Second Grade has saved for the adoption of an Indian baby. We would like to have him and Achille Ratti in honor of our beloved Holy Father who just went to Heaven. We hope he will grow up to be as good and as holy as the man for whom he is being named.

Here's a whole pack of others tied together. Let's look them over. We've earned \$5.00 for a Chinese baby. We're going to name the baby Mary Ellen, Fourth Grade, Holy Family, Auburn.

We're enclosing our ransom of an African boy to be named Patrick in honor of the great saint—Patrick, 17th Grade, Holy Family, Auburn.

In another letter from Sister we are notified that the Eighth Grade of Holy Family, Auburn, selects the name Bernarr for their little pagan baby. Well, to and behold here's another. I'm not sure of the grade. But anyway, it's some of our old pals at Holy Family. Following our suggestion, they have decided upon the name Achille Ratti for our beloved Pontiff!

Once more we dive into the mail and come up with: "Here's number Eight." We would like to have this Ethiopian boy named Ambrose. Achille Ratti. We're going to see how many ransoms we can get during Lent." Anthony, Nicoletta, 8th Grade, St. John's, Clyde.

How many grades can catch that record? Not many I'm certain. And don't forget it, they're still going strong. More power to them, I see!

Fot! Fot! Give a look. I ask you: That's sure going some. Hot-Cat! What am I talking about? Oh, looking over my shoulder. It's great news and I'll gladly let you in on it.

## Bowling

Owens Tops K. of C. Loop with 660 Total

Tom McCarthy's highly touted Pintus took Gene Ausling's strong aggregation, the Indians, into camp by taking three straight games. Bob Hand, Frankie Tolman and Tom McCarthy gathered the high scores in the attack.

The Klutas exploded some of their old time form to take three games from Art Klein's Nines. Nels Owens led the way with a bang-up 660 total, which was high for the evening and among the best of the season.

Gene Hall took second honors for the Klutas with a 54 total. Bill Woerner, Treasurer of the Holy Name Tournament, led his charges, the Santas, to a three straight victory over the Puritans. Bill pulled a grand total of 625.

Among the leading scores of the evening were Owens, 241 and 232; Woerner, 232; Hall, 221; Statt, 226; Geyer, 216; Flynn, 212; Scholand, 204; Eanis, 204; Morrow, 201; Fredmore, 201.

Haberger's Restaurant and Wallock's Garage scored straight victories to lead the way in the Holy Name A. Bowling League. Staub turned in an outstanding performance with 211, 204 and 257 scores to annex the title for high game this season. His good Wednesday to two out of three over the Ace Dora. Lavorns was high for the losers with 612.

Schluter led the Haberger's Restaurant squad with 90 in their triumph over Eagle's Inn. Schluter had a 57 total for the losers.

In the Wallock's win over Pete's Grill, Mueller showed the way with a 678 total for the victors and Maylor hit 624 for the losers.

The final match, Meyer's Shoes took the Yaniki Market Five in two out of three. Mark's 693 was high for the victors and Knapp's 523 was high for the losers.

Under the direction of Mr. Raymond F. Larkin, St. Elizabeth's Guild, this week, launched its Spring Membership Campaign.

The Guild is planning a Book Review by Miss Mary McCarthy for Thursday, March 9, at the Guild House, Field Street. It will be preceded by a dessert luncheon at 1 o'clock. Mrs. John P. Boylan, President, has named Mr. John H. Gould, chairman of the affair.

Catherine Ann. In the future we wish to adopt many more as the holy season of Lent is here and we can look forward to making more sacrifices. Grades 2, St. Boniface, Rochester.

Oh, yes! We are honored with the Pro-Cathedral this morning. Their Fourth Grade appears on the horizon with their adoption of an Indian baby whom they would name Achille Ratti. Fine work, boys and girls, come often and drag the others along with you.

Down to the bottom of the bag we go and haul out our friends from the shores of Lake Ontario. "We have ransomed another baby named Mary Ann. Make her a Negro baby, please. This is our fourth baby this year! 1 & 4 Grades, St. Salomes.

There's something for you to shoot at, my hardies. Catch up with them and you've got a job on your hands. Don't you dare forget it! What's that? Oh, I'm wondering if we could get through this Column without them. Not on your life! Sure, it's our true blue missionaries from St. Andrew's. This time it's the Sixth Grade South adopting a Negro baby named Mary Ann. Clarice Janowski!
