According to my desk calendar this is Spring. Well, at least I can recall from my geography classes that Spring begins March 21st, and we're a long way past that.

Despite Old Man Weather Lent coming to a close and Easter Sunday is about to dawn, Sunday is the greatest feast in the whole year for upon the feast of Christ's Resurrection rests our belief in the teachings of the Catholic Church.

The thought of Easter and the Resurrection brings us in our Lenten project the erection of God's House in some mission land. We are very happy to report that from two schools today.
