INTER-FAITH GROUP PLANS BROADCASTS

American Principles To Be Emphasized

To emphasize anew the ideals which made America great, leaders of Catholic, Jewish and Protestant faiths in Rochester will be heard in a series of inter-faith broadcasts beginning next Sunday which will commemorate the 150th anniversary of Washington's inauguration.

"Stand By America," will be the title of the programs to be broadcast from Station WHAM at 6:15 P. M. on four consecutive Sundays. They will be under the auspices of the Inter-Faith Goodwill Committee.

Outlines Purpose

The Rt. Rev. Msgr. William M. Hart, Vicar General of the diocese, a member of the Inter-Faith committee stated today that America has always been the haven of the oppressed and that everyone here from the time of Washington has had religious liberty.

"There have been some people who have not been true Americans," Msgr. Hart delard, "such as those participating in the Know-nothing, A. P. A. and Ku Klux Klan movements. But any form of persecution has come from individuals and has never been furthered by the government. It is to emphasize adherence to the principles for which America stands that these broadcasts will be given."

Speakers Announced
