

# PERFECTION in Full Bloom

PERFECTION can be produced by neither accidents nor advertising artfulness. And this is particularly true where wines are concerned. Highest quality achieved and consistently maintained... alone explains the diocesan approval of WIDMER'S

# ALTAR WINES

NOT by accident have WIDMER'S ALTAR WINES achieved highest quality and, down through more than fifty years, maintained it without variation. Sure skill in the vintner's art draws from the superb grapes ripened on the sun-drenched slopes of Finger Lakes Vineyards the unmistakable flavor and inimitable quality found in all WIDMER'S WINES

ROCHESTER DIOCESE  
Vol. X No. 10  
April 20, 1939

### FOREWORD

ONCE MORE THE CATHOLIC COURIER brings forth a review of the momentous happenings which occurred in 1938. In maintaining its ambitious program of producing other supplementary publications necessary to keeping the Diocese of Rochester well informed, it has been forced to postpone the appearance of this review until now.

THE SEVENTH EDITION of this Annual Review maintains the prestige and completeness of its worthy predecessors by presenting works of definite value to the readers. Included in this year's edition is an other outstanding article by Alexander M. Stewart, the Rochester historian whose works in Pre Colonial history in New York State have been noted by the Papal Newspaper, L'OSSERVATORE.

### TABLE of CONTENTS

THE WORLD IN REVIEW - Herewith presented is a true, candid, Catholic Chronology of what has happened in this last year of history making throughout the world. Recorded in these annals are events which shall long be remembered in the story of mankind. Page 3

THE MARCH OF EVENTS IN THE ROCHESTER DIOCESE - From the files of the CATHOLIC COURIER has been compiled a terse record of what has happened in this diocese. Important as a matter of record, this review will long serve as a reference source. Page 5

### FEATURING

A biographical sketch of His Holiness, Pope Pius XII, the 261st successor to the chair of the Fisherman. Elected to this holy office when a world trembles with expectation and uncertainty because of the doctrine of greed, now prevalent throughout the world, the new Pontiff is looked upon as a guiding light—as one who will lead the world back to a condition of true peace—a peace established on the principles of justice and charity.
