MODEL FOR CHRISTIAN DEMOCRACY 'TIME' AND THE COURT

# **Court Choice Story** In 'Time' Scored

WASHINGTON .- (NC) -- Statements which appeared under the heading of "Not a Pretty Story" in the June 5 issue of the publication "add to Time's notorious reputation for error and inaccuracy in report ing or commenting on Catholic in-terests," the Rt. Rev. Msgr. Michference, says in a letter to Henry R. Luce, editor of that weekly news

magazine. Monaignor Ready draws Mr. in Time that "the Catholic Church left without a member on the bench since Chief Justice White's death, clamored for a Catholic."
"Time," says Monsignor Ready to its editor, "cannot substantiate that statement with evidence of even the faintest clamor. It is simply untrue.

"Again Time asserts: "The Eastern Hierarchy wanted young Mar-tin Manton of New York.' Will Time inform the Catholics of the than Democracy is nothing cine than Democracy is nothing cine than a benevolent and Christian United States what is the Eastern movement in behalf of the people. Hierarchy? Who speaks for it and

"I have not checked the incidence of error in Time's advertise ments Those pages may still be trustworthy"

SPOKANE, Wash. (NC) editorial in the Inland Cathelle, or degenerates into tyranny." here, accuses Time magazine of introducing "a hodge-podge of in-nuendo and misstatements about the Catholic Church" into an article entitled "Not a Bretty Story" which appeared in its June 5 issue "It is really hard to figure out just what Time's official attitude is supposed to be toward things Catholic" says the editorial "For a few weeks, as in the case of the recent Papal election, it does a creditable piece of factual reporting then the 'smart aleck' brand of journalism, noticeable from week to week in several departments, gets into the field of religious matters again. One wonders whether the magazine has no fixed policies or general ditorial supervision or if the speed with which it must be produced makes every typewriter the judge

of his own effusions." The Inland Catholic says "the Catholic Church does not clamor for political appointments, and well knows it " It declares that Time's assertion that "the Eastern Hierarchy wanted young Martin Manton of New York" appointed to the Supreme Court bench is "plain falsehood"

Many Bishops Attend

Over a dozon Hierarchy mem-bers, some 250 speakers artisans at work - 60 exhibitions in the form of sectional meetings—this was the physical picture of the Congress the visitors and delegates viewed. A mode of living, in which social justice respect for human rights, personal, spiritual, religious and economic liberty, material wall-be-ing, and, over all, an acknowledge-ment of the fatherhood of God and the brotherhood of man - such were the contour and structure of the matrix of Christian Demogracy

fashioned at the exposition. Among those participating in the Congress were His Excellency. the Most Rev. James E. Kearney who presided as Honorary Chair-man at the sectional meeting on American Economic Life and William T Nolan, socrotary of Rochester Catholic Charities.

The principles, complementary plans and social teachings encom-passed in the ideal of a Christian Democracy at the Congress were not new, in fact 2,000 years old. Enunciated and proclaimed by the bundreds of specialists and workand the spiritual leaders of American Catholics Bishops, priests and nuns—and echoed and rechoed by the laity, these principles were in every case based on the great social Encyclicals of the Popes, which, in turn, were shown to be merely an application of the doctrines of Christianity's Founder a half-hundred facets, presented of the Young Mens Business Club with amazing comprehensiveness there is danger of a similar situa-

the whole vast milieu of human af-fairs, particularly as they relate to decent literature in the United man's conduct toward man here States.
Represented by leaders of labor, in- "We have in this country," he dustry, social welfare, education, said, "an educational programs that culture on the one hand, was the is on the level of hig businesse. But dustry, social welfare, education, present order with its complexities. its confusion and its seemingly in-soluble problems. On the other to creep in.

Work of All Christians No resolutions were passed, since the conclusions of the Congress were reached twenty conturies ago and in the last century published to the world by two great Pontiffs There was no corporate action, for it was stressed again and again in the course of the sessions that the burgh: "Steel in the new mills is made by pushing buttons It is considerably change in forms of the find by all Christians as well ture." subject matter formed a basis for pay-roll costs A record heat was television for the first time recent turned out at the Iriva mill recent.

The congressists of the social mansion the world must so-lect if it is to live happily

The outstanding addresses heard in the course of the Congress seemed to underscore four main features of the Christian democratic civilization God as the keystone, man as the supporting Museum of Modern Art, New York to do what 13 men did at Irvin arches man a person with a soul and therefore unalienable rights, a munist Party This newbat apourpose of serving men, peace and classes and races, the common welfare as a norm of action and recognition of the individual's rights as a requisite for the achievement of the general good.
