St. Andrew's played two very interesting games last week with Corpus Christi and O.L.P.H., winning 10-8 and 9-8 respectively. To date, they have won four games, losing none. St. Andrew's is the only undefeated team in the C.Y.O. High School League. This week, St. Andrew's meets Holy Family, one of its toughest rivals.

Extraordinary preparations have been made for this festival, the silver Jubilee being celebrated by the parish. The Rev. George W. Egid, pastor, who has directed this gala occasion from the beginning, is inviting all old and new friends to attend.

The engagement of Miss Margaret Worthington to James Donnan was recently announced.

The 1939 Census of St. Monica's Parish has just been completed. The Trinitarian nuns who canvassed the parish were unable to reach some of the families. These people are asked to get in touch with rectory as soon as possible and fill out the census card.

Late one afternoon, Bill Masters, a reporter of the "New York Chronicle" dressed nonchalantly into the busy office of that newspaper. He was good and he knew it. He surpassed every other reporter on the staff. No matter where he went or what he did, Bill Masters always found a story. That's why he had been assigned to the editor's desk. He was on his way there now.
