READ OVID AT \$9,000 PER VOLUME

Completed at a cost of \$9,000 and more than 15 years of labor, this monumental Concordance for the work of the Latin poet, Ovid, has just been completed at the Catholic University of America. Prof. Roy J Deferrari, Head of the Department of Greek and Latin at the University, one of the compilers, and Monsigner Joseph M. Gottle gan, Rector of the University, inspect the volume, a copy of which will be presented to Pope Plus XII (Rauth photo for M.C.W.C.)

Father Chavannes that Paris-Selv obviously carries many articles and news items contrary in the Catholic conception of morality. Accordingly, the Catholic paper was held absolutely within its rights in detending the Catholic position. The judgment of the Geneva court amounts to an important statement of principle which has attracted wide attention among Swiss newspaper editors, particularly all Catholics, in that it gives full support to the campaign waged overywhere against indeesnt literature.
