Ball Players Get Try-outs by Wings

Aspiring young baseball players both in and around Rochester will be given an opportunity to determine whether or not they have a future in professional baseball when the Rochester Red Wings hold a trial camp in Red Wing Stadium here beginning Monday, July 31. The camp will last approximately a week.

The camp was announced today by Oliver E. French, President of the Red Wings of the International League. He stated that he had secured the services of Charley "Pop" Kelchner, Dean of the St. Louis Cardinal scouts, and Leroy Dusinger, veteran Wing scout, to handle the trials and pass judgment on the players who attend.

On behalf of his organization, French extends an invitation to boys between the ages of 17 and 23, who believe they have the ability to play baseball professionally, to attend the camp. To receive trials, the boys merely have to present themselves at Red Wing Stadium at 9:00 A. M. the morning of Monday, July 31, bringing their shoes, gloves and uniforms. The only requirements are that out-of-town boys must finance their own trips to Rochester and their living expenses while here.

No fee is charged boys who attend. Trials, French explained, will probably entail a stay of three or four days for out-of-town boys.

Irving Berlin's Songs Sung In 'Second Fiddle'

Irving Berlin's new songs, Sonja Henie's sunny brilliance, Tyrone Power's gay romancing, Rudy Vallee's singing and Edna May Oliver's fun, one of the greatest combinations of talent ever gathered for one show is making Irving Berlin's "Second Fiddle," A-1, the sensation of the preview critics who have lavished on the 20th Century-Fox film a chorus of praise.

It's something new in screen entertainment, this film which moves to the Regent starting today, coming direct from the Palace, and it's filled with romance, dazzling spectacle, fresh comedy, six new Berlin songs and surprises galore, including sensational tangos on ice, snow rhumbas, ice ballets, and the new ballroom dance craze, "Back to Back."

"Stolen Life," A-2, offers Miss Elizabeth Bergner an unusual opportunity to display her extraordinary versatility for she is cast in a dual role as identical twins.

Holy Apostles Ten Wins Championship

In a game featuring almost flawless ball playing by both sides, Holy Apostles shut out St. Stanislaus 6-0 to annex the city championship in the C. Y. O. Grammar School League.

The game was featured by the two-hit pitching of Catilini and the batting of Paris who scored three runs on three hits for Holy Apostles. Nowak and Domkowski were the only two St. Stanislaus men to get hits. Both of these were in the first inning but the hope for a score was smothered quickly by the victors.

Holy Apostles, bunching their hits like veterans, scored in the first, third and fifth innings.

MANY of our customers' favorite recipes were handed down from their grandmothers. That's why we get numerous inquiries on how to sour sweet milk.

In our grandmothers' time, milk soured rapidly and was used up in cooking. But, today, with automatic refrigeration, sour milk is getting hard to find.

To sour sweet milk, add vinegar or lemon juice. Or, you can use buttermilk in place of sour milk, if you wish.

We trust this hint settles your sour milk problems. An automatic refrigerator solves food-budget problems just as easily by keeping milk and other perishables fresh and safe for days. And, the price of a bottle of milk more than pays for the gas or electricity needed to run an automatic refrigerator for days and days.
