When Rochester Trust Makes A Loan

the Institution invests the lunds of its depositors and must make sure that principal and insterest will be paid promptly when due.

Because importable borrowers keep loan costs down, they abtain credit here on particularly favorable terms.

Always, Rachaster Trust is prepared to go as far with any interest as metered banking practices will permit.

For sen than half a century, this institution has shaped its pelicies on the conviction that a loan that is good for Bachester is good for Rochester Trust,
