Society for Propagation of the Faith

The REV. JOHN S. RANDALL, Director 50 Chestnut St. Catholic Missions 4013

Rochester have co-operated so heartily with the mission program (the Church can thank God) that our sacrifices offered to the missionaries in fields afar are bearing an abundant fruit.

The words "catechumens and Neophytes" may be somewhat confusing. A "catechumen" is a person under instruction. "Neophyte" are those who have been recently baptized. It is, therefore, for those future Christians...

Many of these conversions are the result of the wide-spread charitable work which has been performed by our missionaries since the outbreak of the war. However, we are not to imagine that the motive of conversion in most of these cases is solely because in their plight they had been assisted, but because they sincerely embraced Christianity...

This gives us some good ideas of the real value of mission work and we who in the diocese of Rochester are invited to attend the half-hour of prayer and devotion...
