Baseball

C. Y. O. LOOP SEASON OPENS WITH 22 TEAMS

Twenty-two C. Y. O. Grammar School teams opened the 1940 baseball season amid the traditional opening day ceremonies.

In the northern division, five games were played.

Holy Rosary, with its school band, banners and many eager fans marched from the school to the field where they played host to Sacred Heart. Sacred Heart, with its small but excellent team, were confident of this first victory. However, Holy Rosary defeated Sacred Heart 11-0. It was Bob Cook's heroic outburst against the fence with the bases loaded that determined the victory for Holy Rosary.

St. George's, playing its opening classic, lost a heart-breaking game to St. Stanislaus, 8-6. This game proved to be the best game in the league. Carter's double play was the outstanding play of the game.

St. Francis nipped out St. Ambrose, 9-7, in its first game in the history of the league. These new teams in the league are playing outstanding ball. They are determined to make the championship race a tough one.

Holy Apostles' hard-hitting team defeated St. Charles, 14-4, in their traditional game. Hamilton with his mighty home run, gained honor for St. Charles.

Holy Cross travelled to Yawman and Erie field where they were humbled by Holy Family 14-4. Holy Family's team displayed rare style in an opening game. Holy Cross will play their league games on their own field near Lake Ontario.

In the Southern Division, many of the opening-day fans witnessed a few upsets.

Blessed Sacrament started off with a bang. They have a much stronger team than last year. They rimmed St. John's 13-3, behind the line hurling of Blakeslee, J. Kennedy's home run and St. Robert's shoe string catch brought honor to the St. John's team.

Corpus Christi, with its 21-0 victory over St. Monica's, made its entrance in the 1940 season with a prospective championship team. St. Monica's one bad inning cost them this important game.

St. Joseph's, in their opening game, were defeated by Old St. Mary's 14-0. J. Francoist, the St. Joseph's pitcher, made up a little for his defeat by his home run. Joe Sylvia and George Neashill home runs for Old St. Mary's.

St. Andrew's defeated St. Margaret Mary's in an evenly matched game, 10-12. Both teams seemed to have caught batting eyes for early in the season.

St. Anthony's defeated St. Boniface 23-13 in a hard-hitting battle. Pigneri, Uttaro and Barbato scored home runs in this important game. St. Anthony's was the winning pitcher.

St. Mary's Boys scored 10 runs on three hits to defeat St. Lucy's, 10-3. St. Lucy's scored most of their eight runs in one big inning.

'Best Play' To Get CYO Prize

The C. Y. O. is offering special prizes this year.

The player selected as making the best play of the week in each division, will be given a summer membership in the Columbian Youth Association.

This week the prize in the northern division was awarded to Carrier of St. Stanislaus, playing Carrier in deep right center, he made a brilliant catch and threw the ball to first base for a double play. This was the deciding play of the game with St. George's. In the southern division, E. Roberson, left fielder for St. John's, made a brilliant shooting for the best play of the game, and merits the prize in this division.

Both boys will be given a summer membership in the C. Y. O., entitling them to all the privileges of pool, gym, etc.

At the end of the season, the three top home run artists will be given memberships in the Columbian Youth Association.

Home runs thus far:

- J. Francoist St. Joseph
- Stencowski St. Stanislaus
- St. Barbara St. Anthony
- Uttaro St. Anthony
- Pigneri St. Anthony
- Gutierrez Holy Family
- Hamilton St. Charles
- J. Sylvia Old St. Mary's
- George Neashill Old St. Mary's

Camp Stella Maris Pamphlets Available

A beautiful pamphlet, depicting the property and explaining the activities carried on at Camp Stella Maris, is available. The pamphlet is printed in the form of an illustrated letter to parents. Seven interesting pictures, with a running comment, are said to paint a picture hard for a boy to resist.

Since these pamphlets have been sent out, registrations are coming in rapidly at the camp office.

Pamphlets or information may be obtained from the Camp Secretary, 50 Chestnut Street, Station 144.

Holy Childhood Association Rev. John S. Randall DIRECTOR

(Continued from last week)

And now while you're in the mood for surprises, firmly placed upon your chairs, do you think you can stand another, almost equally as big? This comes from St. Patrick's School, Seneca Falls. It may be that you haven't heard from them of late, but believe me you they've got a story to tell right now that will convince the most skeptical of the mission enthusiasm that is found at St. Patrick's. Once again we make apologies for our brevity and in passing along the good news, simply let them in their own words relate their accomplishments: "As the spring they have released the waters of the frozen Mohawk, equally so, it has allowed our pennies to come together and we are glad to ransom an Indian boy. Our interest and sympathy have been aroused by reading of "White Wampum" in our class. We would like to have her named Katherine. Better late than never."

—Eighth Grade, St. Patrick's, Seneca Falls.

"We have picked out our baby and we named him Phillip James. We named him that because today is the feast of St. Philip and St. James. We would like a colored baby from Alabama. Your little friends from St. Patrick's, Seneca Falls, are sending five dollars to ransom a colored baby girl in Alabama. We would like to have her named Mary Philomena. The class worked hard and we are very glad to do some missionary work. You shall hear from us again in the future."—Lena Blowski, 5th Grade, St. Patrick's, Seneca Falls.

"The boys and girls of the Sixth Grade have succeeded in having enough money to ransom a Negro baby who is to be called George Martin de Porres. We wish to present him to the Selma Missions which is to be in charge of our Sisters, the Sisters of St. Joseph. We hope that in the future he will become a great missionary worker among the Negroes. So, not only will we have total strangers to whom we can offer our mission sacrifices, but we will have Sisters of our own, some of whom, perhaps, have taught us to work for love and serve God. We hope that you will visit us soon and bring our little Indian friend Martin."—Laurice Fleisher, 7th Grade, St. Patrick's School, Seneca Falls.

"We wish to ransom a Negro baby from Alabama. We would like her named Frances Florence, a decision made by the girls."—Geraldine Klipper, 4th Grade, St. Patrick's, Seneca Falls.

"We're going to be saviors by the girls. Here's our donation for a Negro boy from Alabama. We want him named Anthony John."—Louis Riscozzi, 4th Grade, St. Patrick's, Seneca Falls.

"And that there is the Third Grade who have decided to make their offering of \$5.00 a stringless gift for the Alabama missions. And to top off the report they have included \$1.00 for their dues.

That you have it now. More power to the boys and girls of St. Patrick's, Seneca Falls, and we must admit that your absence from the Column for the past few weeks is fully explained. You were only lying back to pounce upon us with a real surprise and certainly there is no question but what you have done so.

This final item in our Newswark Column comes from our old chums at Nazareth Hall. "We, the boys of the Second Grade of Nazareth Hall have another \$5.00 for a Chinese baby. Yesterday we gave him the name of Jeremiah Joseph. Will you please send us his picture. We have seventeen boys in our grade and are doing all we can to help the missions."

—Ninth Grade, Nazareth Hall.

And as regular as clock work we have again our old friends from St. Mary's School in Elmira. I'll let them tell you their own story. "Enclosed you will find five dollars. We would like to ransom a negro baby girl in Alabama. We would like to have her named Mary Jane after one of our class mates who was killed last summer."—Mary K. Callahan, St. Mary's School, Elmira, N. Y.

When it comes to real missionaries, you can't beat the boys and girls from St. Margaret Mary's. They are here again this week, this time the Third Grade. A little negro boy named Thomas is their choice. Robert Bamann and Marilyn Karp are going to act as the godparents. Thanks a million, boys and girls.

You probably will recall that some time ago the Fifth Grade East of Holy Rosary School ransomed a little boy whom they named Joseph "Beppo" Plus X. Well, the "Beppo" had me stumped so here they are this morning with an explanation: "We read in the Catholic Courier that you would like to get in on the ransoming of 'Beppo'. During the last days of February we read the story of 'The Pope of Little Children' in our Cathedral Basic Readers. This tells about Pope Plus X. His boyhood name was Joseph. So, we called our Chinese baby, Joseph 'Beppo' Plus X. Now, Father Randall you know why."—Carol M. Heister, Secretary, Fifth Grade East, Holy Rosary.

Along with this letter of explanation for having set me straight, came another ransom from Holy Rosary. The boys and girls of the Sixth Grade East would like to ransom Mary, a little Chinese baby. Anthony Nile and Elisabeth Ann Devor are the godparents.

Troop 70 of St. Andrew's built the beautiful portable altar that was used at the Field Mass last Saturday. During the winter, Bill Donadoni offered to have his Troop make this altar. Several models were made before they were satisfied with a design. The altar is constructed of eight pieces that can be easily fit in an ordinary car. It is truly a portable yet can be set up in three minutes and is absolutely firm.

The boys of the Troop at hammering copper designs of the fleur de lis to be set in the panels. It is a grand piece of work and the Troop is to be congratulated. The altar will be used at Camp Warren Cutler this summer.

Final plans were made at the meeting of Troop 8, of Our Lady of Perpetual Help last week, for the Seneca Division Camporee, which will be held at Camp Warren Cutler over the weekend of May 17, 18 and 19. According to Scoutmaster George Michals, this camping trip will be run on a Patrol Basis, with all cooking and details being done by Patrols.

Nearly one hundred parents and Friends of Boy Scout Troop 90, of Old St. Mary's, attended the recent Troop Court of Honor, at which Donald Christian was presented the Eagle Badge. William "Blat" Chief Scout of Rochester, who was the chief speaker, spoke on the topic, "Values of Scouting."

BABIES FOR SALE

We came across a little story in one of our mission news releases this week that we are passing on to you. Monaghan, F. J., S.V.D., furnishes us with proof of ransom that the "traffic in girls" still goes on at least in some sections of China.

"The sale of girls," he writes, "is not only a view to a profit, but the exceptions are always dictated by poverty. Frequently, the parents sell their daughters as early as their fourth or fifth year, although they are only from ten years upward. In this case, also, there is a wide variation in price. The father comes with his daughter and asks the merchants or people of means whether they would like to purchase the girl. If the price offered is satisfactory to the father, the transaction is completed. Otherwise, he tries his luck elsewhere.

Girls between five and six years of age often fetch 20 diao or even more. The purchasers usually marry these girls to their sons later."

Plans are now being completed for the undertaking of similar projects in St. Joseph's Commercial High School and St. Andrew's Seminary. The program calls for providing opportunities for all the Catholics as well as Public High Schools.

Association activities which include the provision of tuberculosis tests are made possible in City High Schools by an annual Community Chest appropriation, and in County High Schools by the annual sale of Christmas Seals.

The Mother's Auxiliary of Troop 240, of Marriens Center, held a Card Party at the Center last evening. The proceeds of the party are being used to purchase equipment for the Troop and Pack.
