STUDENTS HELP FILM ROCKNE LIFE

The campus of Notre Dame University resembled a Hollywood set, when 200 students worked as extras in the filming of "The Life of Mike Rockne" which is to be released by Warner Bros. in this picture, the screen actor, Pat O'Brien, made up as Rockne, discusses a scene with Mike Rockne, who is serving as technical adviser for the picture, based on Rockne's life as a student and coach. Holy Childhood

(Continued from Page 10)

Were all anxious to be enrolled in the Holy Childhood Association, Father, First and Second Grades, St. John's School, (Dye, N. Y.) Now, there's a record if I'm any judge. Four ransoms in a year. How many other grades in the diocese can claim such a record? No reason why you shouldn't. These boys and girls are as different as apples from oranges. They are deeply imbued with the mission spirit that nothing is too difficult for them. What say we see others out competing the record of St. John's?

Well, it sure has been a long time, so see. That might be our greeting to the beaters of this next job. It comes from St. Mary's School in Roswell, N. Y. They have a record of 100% enrollment. They have a record of 100% enrollment. They have a record of 100% enrollment.

When you go out to measure mission enthusiasm, there is one group that you must not miss. They are the boys and girls of St. Mary's in Roswell, N. Y. They are the boys and girls of St. Mary's in Roswell, N. Y. They are the boys and girls of St. Mary's in Roswell, N. Y.

Another old friend is on hand this week. Do we ever open our arms wide to receive them! Once in a while they do surprise us with some real startling news. This time is no exception. The enclosed check for \$1000 is indicative of the many little sacrifices of the First and Second Grades for the mission. You can find twin Chinese girls baptizing them with the names of Mary Ann and May Magdalen. Added to the little prayer in behalf of the mission, St. Joseph's, Westford, N. Y.

I think all of us readily agree that they love the missions and to what lengths they are willing to go to make sacrifices for the good of our missionary priests and sisters.

We close out the report for the week with another item of great interest from the boys and girls of St. Mary's in Roswell, N. Y. They have been pretty regular visitors to this Column and certainly if any group did an excellent job for the mission, it would be the boys and girls of St. Mary's in Roswell, N. Y. This time their note reads: "The Fifth Grade wish to ransom a Negro baby to be named Mary Regina. We would like to have our money to go to the Alabama Mission, St. Joseph's, Westford, N. Y."

There is what I call real mission enthusiasm. How many others are willing to show the same spirit for the missions as these boys and girls of St. Mary's in Roswell, N. Y. They are the boys and girls of St. Mary's in Roswell, N. Y. They are the boys and girls of St. Mary's in Roswell, N. Y.

Craft Club Makes Gifts for Camp

Each year brings something new at Camp Stella. During the past few months, equipment has been purchased and the workers in the Columbus Youth Association Craft Club have been busy making new things for the camp.

Forecasted among the new facilities is a large automatic dishwasher guaranteed to be an added insurance to the health of the camp workers.

Two seven-branded cutlery drawers have been made at the Craft Club to be used in the camp Chapel of St. Jude.

Newest of the new—constructed for Stella, is a large lantern of copper and zinc glass, which will light the path to the Chapel nestled in the woods.

Camp Stella, N. Y. Diocese of Albany, is open to all boys and girls who are interested in the Scout Office, where registration are taken, is located at the Columbus Civic Centre, Room 102.
