Nazareth Academy Addition

NEW WING OF NAZARETH ACADEMY

The new wing joins the original building at the southwest end. On the ground floor are the gymnasium, shower, locker and equipment rooms and the office of the instructor in physical education. On the second floor are classrooms, a complete health unit, chaplain's room and cut library room. On the third floor are classrooms, teachers' room, a choral room and rooms for the robes and equipment of the school choirs. The fourth floor has an ensemble music room with rooms adjoining for instruments, music and other equipment.
