BELGIAN REFUGEES MILITON IN SCHOOL

Our Social Swirl Party To Aid Refugees Set

By MARY GAUFIELD
 The war which has torn Europe and destroyed numerous religious houses has not been without its effect here in America. The Congregation of the Sacred Hearts in America depended financially upon the houses in Europe, especially Belgium. Unable now to receive aid, the American sisters are hard-pressed.

A committee, under the chairmanship of Mrs. Clarence L. Egan, is making arrangements for a benefit card party to be held at the Sacred Heart Pro-Cathedral, 221 Flower City Park, Friday evening, June 26, at 8:30 P. M.

The party is for the benefit of the Belgian students of Sacred Heart Seminary located in Washington, D. C.

Tickets are 20 cents and those desiring to play at home will also receive table prizes.

St. Elizabeth's Guild
 St. Elizabeth's Guild will hold its annual garden party and tea on Saturday at the home of Mrs. Walter E. Wegman on St. Paul Blvd.

L.C.B.A. Plans Picnic
 The Advisory Senate of the L. C. B. A. will meet next Monday evening, June 21, at the Columbus Civic Center. Arrangements will be completed at this time for the annual picnic to be held on July 21 at Ontario Beach Park.

Nurses Form a National Conference

A NATIONAL CONFERENCE of Catholic Nurses was formally organized in Chicago, June 19, at a meeting presided over by Archbishop Joseph P. Moynihan, at New Orleans. Among the officers elected were, those shown above, seated from left: Sister Helen Farrell, St. Bernard's Hospital, Chicago, director; Mary E. Kelly, Detroit, president; Mary E. Gillen, New Orleans, vice-president; standing, Anne Houck, Toledo, director; Sister Mary Alice San Antonio, director, and Jane O'Rourke, Fond du Lac, director. Rochester was among the cities represented.

Favors Granted By Expectant Mother Rites

Favors granted as the result of the blessing for expectant mothers, next one of which will take place at St. Joseph's Church, Franklin St., on Thursday, June 27, at 8 o'clock, have stimulated wide interest in this unusual ceremony.

The blessing and consecration of the coming child to the Blessed Mother will be conducted by the Rev. Michael J. Kieleman, C.S.S.M., of St. Joseph's Church.

Many letters have been received by Mrs. Lawrence A. Weider, 133 Westfall Road.

'Life' Scored On Birth Curb Stand

The charge that Life magazine "aligns itself definitely with the out-and-out advocates of artificial conception," is made in a letter which Miss Agnes G.R. Ryan, Executive Secretary of the National Council of Catholic Women, of Washington, has addressed to the editor of that publication.

Miss Ryan says Life has removed itself from that class of publications which interest those "who cherish objectively fairness and the validity of ethical principles in the solution of human problems whether individual or social."

"There are moral, economic, mental and social considerations which are grave, fundamental and necessary to any objective consideration of the problem, which Life, in its presentation chooses to ignore."

Rochester Diocese Council N. C. C. W. 534 Columbus Civic Center

Our best wishes to the Knights of St. John and their Auxiliaries, several of whom are affiliated with local Diocesan Councils, in addition to a national affiliation as a whole.

Their coming Convention promises to be an outstanding success. It will prove their zeal for God and Country.

A message addressed to her sisters by the president of the Rochester Diocesan Council NCCW is so timely that we adopt it as our own.

Milton Learns About School

By Helen Richmond
 I used to be the National Kindergarten Association, 3 West 11th Street, New York City. These articles are appearing weekly in our columns.

Milton went with the other members of the family to Big Brother's graduate from college. Milton was only in the first grade, so it seemed a long way from every point of view, from the schoolhouse near his home to the big group of college buildings with hundreds of young men and women. There were flowers and good times and speeches and music and so many unusual happenings that Milton was a little confused.

The Cold Frame

It would take someone gifted in poetry to review adequately the 1943 edition of The Cold Frame, an anthology of verse by Our Lady of the Holy School's Senior Class, which has just appeared.
