IN ONE EAR

Two weeks ago this column was largely devoted to the workings of the microphone. This week I had promised to write something about the various classifications of radio stations in the U. S. A.

Roots of the American System of Broadcasting

In the U. S. A., Congress gives every authority to the F. C. C. needed for the orderly regulation of radio frequencies. It gives no authority to control

One School

In the Near East the children must attend the Mohammedan school when the missionary is without a school. Under these conditions it is difficult for a child to remain a Catholic. Five Hundred Dollars will build a school. Try to figure the good that one school would accomplish in ten years. Will you help?

THE MISSIONARY AND THE SICK

The Parish of St. Paul, whose headquarters are in St. Paul, Minnesota, is doing a great deal of work for the sick. They are extremely poor, but even so they do not dampen their work. They go out into the villages, preaching and baptizing and curing

Sanctuary Lamp

The light that shines before the altar, which is known as the Sanctuary Lamp, is a symbol of the presence of Christ in the Eucharist. The lamp is lit at the beginning of Mass and is kept burning throughout the celebration.

THE PRECIOUS BLOOD

There is a great deal of talk about the precious blood of Christ. It is the blood that saves us from sin and gives us eternal life. It is the blood that makes us members of His Body and Blood.

A CHANCE

Ten dollars will purchase a chance for a million dollars. This is a great opportunity for you to win a large sum of money. All you need to do is buy a ticket for ten dollars.

THE LONELY MISSIONARY

The lonely missionary is far from home and friends. He needs your prayers and support. Please send him a letter of encouragement and let him know that you are thinking of him.

GIORGIANI BEANS

We will mail you our pamphlet on Giorganii Beans if you write us. It explains the wonderful benefits of these beans and how to cook them. Write to us today.

IN MEMORY

We suggest that you donate an Altar to a mission in memory of the deceased members of your family. This is a noble way to honor your loved ones and support the missionary work.

WHY WE DO

In the Near East, there are one hundred and eighty million Christians who are outside the Church. They believe in Our Divine Lord and in the Sacraments. Yet they are separated from His Church. Our missionaries are working to bring them to their Father's House.

MANY DEMANDS

Send us a gift for the mission and tell us to use it as we see fit. We need many such donations to keep our missionaries working. Thank you for your generosity.
