PARISH NEWS

The COURIER'S COMMENTS on the CURRENT CINEMA

By JOHN SPRINGER
New Moon-A-1

Do you remember 'Naughty Marietta'... If you do, you could not help but be reminded of the script writers of 'New Moon'...

The script writers remember that in 'Marietta' just after Miss MacD had finished singing with a chorus of Casquette girls...

However, in the case of 'New Moon' it is not such a happy thought... It might be if they had picked a model for the new musical...

The more one gets the better in a MacDonald-Eddy picture, 'New Moon' has a lot of them...

After all it is the music that counts... Even if it strikes you funny to see Miss MacDonald and Eddy...

It was a good week for the short subject fans... With a good chapter of the well-titled 'Crime Doesn't Pay'...

If you read Richard Connell's magazine short story, 'Brother Orchid'...
