### ROCHESTER DIOCESAN COUNCIL National Council of Catholic Women Office: 536 Columbus Civic Centre, 50 Chestnut Street

We quote from our N. C. W. National President's Message for August:

"Although 'nic' occasions teach us duties, and just now we are thinking of securing increased homes for refugee children, gifts to the Red Cross, and other humanitarian measures incident to war, there is always time to pray. Besides the ejaculatory prayer, 'Queen of Peace, pray for us,' let us join in the Catholic Hour prayer of our conscription organization, the National Council of Catholic Men—the Collect from the Mass: 'Pro Pace: O God from Whom all holy virtues, right counsils and just peace flow, grant us Thy peace which the world cannot give, that our hearts may be devoted to the keeping of Thy commandments, our country spared the horrors of war, and our brethren in other lands blessed with the gift of Thy grace. Through Christ, Our Lord, Amen.' Mrs. J. W. McCollum.

### Accord To The Doctor

Suppose you are tired or worked out. The fatigue depresses you, and you feel discouraged. What ought you to do? Rest, in the first instance. This seems very simple, yet some people will have none of it, but instead take to alcohol or tobacco, which only keeps them from feeling tired when they are tired.
