"These who wrote the canon law

know the weakness of man and the pro-

pensity of those who once obtain power

to hold on tout. Hence the safeguards

against any one considering himself in-

dispensable. I have heard much favor-

able comment by visitors to religious

houses when they met So-and-So, once

a superior, now by rule reduced to the

ranks. We go in and we go out. If we

step up, we step down. And that, I

think, is one of the reasons why the

Church gets along as well as she does.

There is more essential democracy in

the Catholic Church than in any politi-

"I think the electorate should hand

Franklin D. Roosevelt . . . his walking-

papers on election day. We should say

to him what canon law says to better.

wiser, humbler, saintlier men: 'Step

down. Give place. You have had enough.

More certainly would spoil you and

"As for me, I would not put a Cleve-

"Daniel Webster said: The contest

for ages has been to rescue liberty from

the grasp of executive power. There are

men in all ages who mean to exercise

power usefully, but who mean to exer-

cise it. They mean to govern well, but

they mean to govern. They promise to

be kind masters, but they mean to be

land or a Lincoln or a Washington in

The 'Catholic World's' Views

on the Coming Election

An Eddonal by Fr. Gillis, Editor of the "Catholic World"

and famous speaker on The Catholic Hour

in his way did as much as Abraham

Lincoln to save the Union from disin-

tegration, nust have been clairvoyant.

How, est flerwise, could be have seen

Franklin D. Roosevelt so clearly, and

have described him so aptist, almost a

hundred years in advance? They mean

to be masters, says Webster. 'My oppo-

nents have found their match,' says

Roosevelt, and it will soon become evi-

dent that they have found their master.'

with an incapacity-congenical or ac-

quired, or both-of recognizing the con-

sequences of his own actions. ... For

many years, he says, 'every ounce of

the energy I have had has been devoted

to keeping this nation and the other re-

publics at peace with the rest of the

world. That is today the objective for

which I hope and work and pray.' Yet,

he repeatedly castigates the dictators.

calls them names, threatens and chal-

lenges them all, presumably as a means

of preserving peace. To say in one

breath that he works and prays for

neace' and in the next breath to dare the

dictators to knock the chip off his

shoulder indicates an amazing intellec-

"It is a psychological riddle. I con-

fess I don't understand the man, but I

do think him inconsistent and unpre-

dictable. A 'dangerous,' 'reckless,' 'au-

dacious. 'inconsistent,' un predictable
