### Wines that Santa Claus Himself Would Recommend

IN FACT . . . we suspect that Santa has recommended them . . . many, many times, for many, many Christmases through the last 50 years. More and more people are saying "Give me WIDMER'S" when they shop, as the simplest and best way to solve the problem of Christmas giving.

TO HER . . . Santa suggests that "he" will welcome a satisfying package of fine WIDMER'S WINES . . . awarded for variety, or all of one kind to please a preference! TO HIM we suggest that "she" would be thrilled with a choice sparkling wine—burgundy, or champagne fit for a queen!

### DINE WITH WINE

The correct wines served with meals always complement the food by heightening the sense of taste and the enjoyment of digestion. Only an appetizer before the meal and a dry wine during it are customary for the modest dinner. Sweet wines, with the exception of Sherry, are never served during dinner. Underneath and dry wine should be served afterward and wine and sweet wines of normal room temperature or slightly below.

### Nuns Decorate Church; Save Pastor \$440

LEAVENWORTH, Kans. — Two nuns here turned artist and redecorated a parish church in seven days, thus saving the pastor \$440.

The Church of the Holy Epiphany here had not been redecorated in five years. If done by contract the work would have cost \$1,000 and the Rev. Matthew Gully, pastor, was in no position to raise the money.

Sisters Felix and Gertrude of Holy Epiphany Orphanage, which the church serves, set out to do the job themselves. With the aid of little colored boys and girls from the orphanage, a hired painter and a parishioner of the Cathedral they got down to business. In a week the little church was a thing of beauty again.

### Lincoln-Alliance Opens New Bank Office at Twelve Corners

The Lincoln-Alliance Bank and Trust Company opened a new bank office at 1833 Monroe Avenue on Dec. 18, according to an announcement by Raymond N. Ball, president.

"A new commercial center is rapidly developing at the intersection of Monroe Avenue, Winton Road and Elmwood Avenue. We believe we are providing a needed service by opening a new bank office in this growing community," stated Mr. Ball.

This new Twelve Corners Office will bring the number of Lincoln-Alliance Bank offices in Rochester and vicinity to a total of ten.

Roy Vance, who has been with the Lincoln-Alliance Bank and Trust Company for a number of years, has been appointed manager of the new Twelve Corners Office.

### Campaign For Clean Reading To Continue

(Continued from Page 2)

"Since our last report" the report states, "we have learned that some of the very men who once published the worst sort of magazines, now discontinued are doing a thriving business by publishing and placing on sale 10,000,000 copies a month of comic magazines which however innocent their appeal to children, are calculated to do great harm to the morals and to prepare school boys and girls for the patronage of a later date of just such periodicals as the 'NO. 1' in the desire of removing from circulation. Pastors and people must both be reminded of the dangers latent in these seemingly innocent publications."

The national report further states that "until the magazines which are now being sold, and over which can be cleaned up at the source, it is imperative that public opinion be aroused against their local circulation."

Take the joy that life discloses while you may.
