MSGR. SHEEN ADDRESS MOVIES REVIEWED

COURIER'S CURRENT CINEMA COMMENTS

"Hudson's Bay"—A-2. In a week of mediocre movies, the name of Paul Muni does not mean too much.

"Flight Command"—A-1

Although it has some spectacular air sequences, for which M. M. gracefully announces its co-operation of the U. S. Navy "Flight Command" is just another of those things when it comes out of the air.

"Dulcy"—A-1

George S. Kaufmann's popular old comedy, "Dulcy" gets another spin on the screen as a vehicle for Ann Rutherford as the beautiful but dumb heroine.

"Four Mothers"—A-2

About a year ago I reviewed a picture called "Four Mothers" if you don't mind I'll quote from that review.
