Pintas Regain Lead In K. of C. Loop

Danny McNally, Gregory Street Fire Fighter, and Joe Steimes, two-gun man from Dutchtown, collaborated to place Tom McCarthy a Pintas back in the pace setting position in the K. of C. Loop. McNally garnered a 604 for the evening's work while Steimes finished just 14 pins behind the Champs. The victims of the Pintas assault were Gene Austing and his somewhat abashed Indians. Charlie Geyer and his Flying Dutchmen the Santas, crept to within one game of the leading Pintas, scoring a 3 to 0 decision over Butch Predmore and his Power packed Guards. Frank Scholand and his Pirates stayed in the race as they squelched Jack Ward and his surprising freshman 3 to 0. Warren Hill and his revitalized Puritans took the odd game from Jack Kinney and his hapless band of Klutes.

High three-game total was scored by Danny McNally with 604 while in second spot was his team mate Joe Steimes. Jerry Weinhart finished third with 584 followed by Billy Woerner 582, Frank Scholand 582, Gene Austing 566, Charlie Geyer 543, Jimmy Sullivan 543, Clarence Volo 547, Rocco Natale 535, Doc O'Neill 527, Cal Lofink 516, Frank Toomey 510, Scotty McAnnaly 526, Cy Statt 516, Jack Ward 532, Fred Selfferd 523, Paul Predmore 511, Warren Hill 508 and Jack Kinney 502. High individual games were rolled by Danny McNally with 234, Gene Austing 223, Clarence Volo 212, Frank Scholand 206-203, Jack Ward 214, Jerry Weinhart 208-207, Joe Steimes 208, Bill Woerner 203, Chas. Geyer 202.

5 We cannot take into account solutions without signed names or addresses. Neither can claims to their ownership be recognized. We do not assume responsibility for solutions unduly late in arriving or lost in the mails. By entering the contest, the contestant agrees to accept as final the decisions of the judges as to procedure and final outcome.

6 In event of ties additional questions will be submitted. In event of final ties after additional questions are twice submitted, duplicate prizes will be awarded.

7 Do not decorate coupons. Neatness will not count.

8 Any inquiry or reply to which could not affect the outcome of the contest, will be acknowledged.

9 A contestant may send in as many sets of qualified answers as he desires but each set will be judged as a unit, and no individual may win more than one prize.

A contestant sending more than one set must mark them "Set 1" "Set 2," etc. This will indicate the manner in which they are to be filed.

We find it necessary to request contestants not to ask that changes be made in the files containing their answers to the contest questions. Such changes not only involve much work for the contest office, but also create confusion which makes it difficult to compute the contest for winners.

If you feel now that you have sent an answer to one or more questions which you would like to change, start another set. Mark your additional sets "Set 2", "Set 3", etc.

Remember you may submit as many sets of duly qualified answers as you choose. Each set, however, must be complete and accompanied by a total payment of $2.50.

The greater the number of sets you run, the greater is the likelihood that you will qualify for a prize. And each set will be eligible for the promptness prizes if your first set was entered and the first 10 questions answered before February 8.
