Lenten Almsgiving - The Baltimore Catechism gives as the principal names for satisfying for the temporal punishment due to sin, the following: Prayer, fasting, almsgiving, all spiritual and corporal works of mercy, and the patient suffering of the ills of life.

A Man's Man - St. Joseph makes an ideal model for any man. He sums up in himself the series of virtues every man should aspire to.

Five Years Ago - From March 8, 1936, Edition. Demonstrating wide and eager interest in the Negro's problem a capacity audience turned out for a public meeting on Interracial Problems.

Against Released Time - Twice the people of New York State expressed through their representatives in Albany, and once through their vote on the Constitution, their will that public school children should be released from school for religious instruction at stated intervals.

Feast Days - Sunday, Mar. 8 - ST. FRANCES OF ROME. Monday, Mar. 9 - THE FORTY MARTYRS OF NISSA.

I am opposed to it. What would happen to a traffic officer who arrested violators with an assurance that the traffic law was all wrong and he was against it? He would not hold down his corner very long.

The Drive on Babies - It grows on continuously, the drive for fewer babies. Every city is now hearing the appeals of those who would lower the birth rate by teaching married people how to abuse marriage.

Transfigured Before Them - How often we have heard in the Gospel for the 2nd Sunday in Lent the word "transfigured," and how often have we let it go over our heads as something not understood!

Signpost Library - How much depth or breadth is there to our understanding when we speak of the love of God? For a worthy answer to the question "How much does God love us?" we must go back into history for thousands of years and study the great plan of God unfolding itself during the eon centuries.

Long Distance Calling - Far be it from me to put myself in the class of the overt drivers or to put into any one's business. But long distance phoning is one of my pet peeves.

Along The Way - Mr. Whosit is not at that number now. Will you call him a little later. So I call him again in an hour, and then in another, and then I have to go out for fifteen minutes.

Diocesan Recordings - "Hello" and "Welcome" are the words made up on the typewriter by the stenographer in the office of the Bishop of Rochester.

'A Lot Of Boloney'

By REV. JAMES M. GILLIS, C.S.P., Editor, The Catholic World

A priest of my acquaintance... I have heard of a priest who was asked to give a sermon at a young man's funeral. The young man had been a member of the Legion of Decency.
