Rev. John S. Randall
DIRECTOR

Spiritual Bouquet Acknowledges

I am sure that you boys and girls will be interested in the following letter which was received last week from Father Ackerman of Pittsburgh the National Director of our Association. In acknowledging your contribution to the recently prepared Spiritual Bouquet for our Holy Father, Father Ackerman writes as follows:

"This letter is written to express my deep appreciation for your devoted cooperation in the formation of the Spiritual Bouquet recently presented to His Holiness as an act of devotion on the part of the members of the Holy Childhood Association in the United States. And through you I also wish to thank the Sisters and the children for their outstanding response to this appeal. You will be interested, I am sure, in knowing the final totals of this spiritual drive. They are as follows:

Masses said, 6; Masses read, 1-04,747; Holy Communion, 141,177; Rosaries, 1,802,708; Prayers, 69,405; Stations, 300,880; Aspirations, 93,114,118; Mortifications, 84,357; Other Good Works, 208,917; Special Prayers, 11,373,345.

The Spiritual Bouquet, properly prepared by a nun-artist of the Sisters of the Holy Family, has been transmitted to the Holy Father through the kind offices of His Excellency the Apostolic Delegate. As soon as word is received from Rome announcing its reception, I shall inform you accordingly."

NEWSWEEK

Well, boys and girls from the looks of the huge stack of mail on my desk this morning, it would seem that you are going great guns on your sacrifices during the Lenten season. Never fear that this good work will be unrewarded, for really you have no idea how much this little detail of some pleasure means to the thousands of homeless little orphans left to wander about the streets in many mission lands, homeless, hungry and ever dying. I earnestly encourage you to keep it up, for it is only through you that these little ones will be saved.

The first letter on top of the pile is from an old friend from whom we had not heard in quite some time. The fact that they are here with three adoptions explains that they have been storing up their pennies for the missions. They are the boys and girls from St. Joseph's School, Wayland. The Sixth grade would like an Indian girl named Joan Marie; the Fourth and Fifth would like Jean Carl; a Negro baby from Alabama and the Third Grade is coming to the rescue of Francis De Sales, a little boy from China. Thus, a thousand times boys and girls we surely do appreciate this marvelous report you have sent us.

Second in line and rather busily showing up toward first place are our good old faithfuls from St. Andrew's. The little tots in the First Grade South would like to ransom Joseph, an African boy; the Fourth Grade girls would like Patricia Ann in their little Indian girl; with Mary Ann Wesley and Dorothy Schmidt as godparents; Helene Gardner, president of the Fifth Grade, is here again with another little tot. This time it is an Eskimo boy named Donald Robert Wuest. Helene says that Donald Nigili and Mary Ellen Voellinger are the godparents. Good work, boys and girls! We surely are proud of you all.

When it comes to top honors for individual mission workers, we can't help praising for Billy Moser of St. Mary's School, Elmira.

Very faithful little correspondent tells us that baby Gertrude Marie from St. Mary's school is being ransomed by Clara Mahoney and that she and Robert Fraxley are the sponsors. Heartily thanks to you for your willing sacrifice in bringing this little one to the 25th. You are setting a fine example for other boys and girls.

Burba M. Zozzari of the Fourth grade, St. Mary's school, is writing us to say that they are ransoming Estelmo to us. They have decided to call them Benedict Joseph and Gemma. Gemma. After that they are going to concentrate on the one penny for heaven for our Mission Chapel. Thanks to you, Bill, and all your little boys and girls. These are the kind of boys and girls to receive. Keep up your good work!

The First and Second grade boys and girls of St. John's school, Brockport, are here by right and we are morning with the ransom of Mary Ann a Chinese girl. Right behind them are the boys and girls of the Fifth and Sixth Grades who want to ransom a Negro girl from Alabama. They have decided to call her Patricia in honor of St. Patrick. Hats off to you boys and girls! You have done well with these two ransoms and we encourage you to keep up the good job you are doing.

John Ann Ross of the Seventh grade of Blessed Sacrament School writes us to say that she would like to save a little pagan baby and call her Gertrude. The little missionaries of the First and Second grades would like to ransom a Chinese baby and they would like to call her Francis. Hearty thanks to you boys and girls for your good work. You are doing well.

Triple Tie In K. of C. Circuit

Which games involving the K. of C. Circuit is being divided between St. John's and St. Andrew's? The boys and girls of the K. of C. Circuit are having a triple tie in the St. John's and St. Andrew's circuit. The boys and girls of the K. of C. Circuit are having a triple tie in the St. John's and St. Andrew's circuit.

CYO High School Teams Vie

St. Andrew's downed the Holy Childhood Association in the Holy Cross High School.

St. Joseph's suffered a defeat from Holy Family in a good game of basketball. St. Joseph's showed its best form of the season. They deserve credit for developing play-ers. When the season opened, they had men who knew nothing about the fundamentals of the game; now they are molded into a fine team.

This was another victory annexed to Holy Family's chain. The second win in a thrilling outcome of the league. Memories of last year's playoff are inspiring many players this year.
