

# FROM CIVIC LEADERS In the Auburn Area

## THE FINGER LAKES

SOUTH of Auburn lie the beautiful lakes which make of Central New York State one of the famed vacation spots of the world. Here are to be found all the elements for healthful Summer recreation. Originally settled one hundred and forty-four years ago, Auburn has grown consistently until it is now the largest city in the Finger Lakes region. As the center of that region, it annually plays host to more than 150,000 transient visitors attracted by the beauty and summer sports activities of the lakes. Popular with residents and summer visitors alike are Enna Jettick Park and Owasco Lake just to the south of the city. Throughout the year social and business activity centers in the city of Auburn, making it the focal point of community life in the whole area.

### AFTER EASTER

the renewing season begins in earnest. Let me give you a lift on those house cleaning jobs. This is the year to modernize too—prices are lower now than they may be again for a long time. Nearly everything on your budget is expected to go up except our services. ELECTRICITY is going to be CHEAPER than ever.
