Archbishop Celebrates Catholic Is Only Mass For Invalids

MILWAUKEE — A Solemn Pontifical Mass for invalids, arranged through the Apostolate of Suffering, was celebrated in St. Sebastian's Church here Thursday by the Most Rev. Monsignor Kiley, Archbishop of Milwaukee.

U. S. Soldiers Get Fresh Milk For First Time Since 1776

Army fliers at Randolph Field, Texas, are daily milk drinkers.

NEW YORK—U. S. soldiers in the vast army maneuvers now under way will fight their peaceful battles with fresh milk in their daily diet.

More than 250,000 quarts of fresh fluid milk per day will be consumed by the maneuver forces, plus the new trainees in cantonments.

In addition to fluid milk requirements, over 20 tons of butter, more than 10 tons of cheese and large quantities of other dairy products are consumed daily. This means that more than 1,000,000 quarts of milk from American farms are required every day for pasteurization and distribution to processing into dairy products for the army.

According To The Doctor

Likelihood of an unusually prolific mushroom season has drawn a warning from the state board of health that all caution should be taken to avoid several varieties that are poisonous.
