'Glacier Priest' To Bring Film

The man who could come closest The man who could come closest to it perhaps would be Father Bernard R Hubbard, S.J., geologist below Amann, sister of the bride, of Santa Clara University, explor-ter and voloanologist, the famous Providence Briast Henry Jones was best man for

"Glacier Priest." Chales Jones, and Willard and Carl He does it through the medium

of the starting motion picture, Amann, brothers of the bride, were "Moon Craters of Alasks," which ushers. he will present with an accompany-ing lecture in the Eastnian Thetre. Friday afternoon and evening.

The appearances of Father Hubbard will be under joint aponsor-blip of the Aluminae of Sacred Meart Academy and the Rochester Civic Music Association.

In Father Hubbard's film, the

fuit of fourteen years of first hand study of the great volcanic craters of the Alaska Peninsula and the Aleutian Islands, the fire mountains of that land of Vulcan

are seen to be identical with those of the moon surface whose origin

has mystified astronomers for cen-turies.
