British Catholics Bar All Totalitarianism

LONDON — (N. C.) — British Catholics, following the teachings of Pope Pius XI in his Encyclicals, "Reject Communism and Nazism and any brand of pagan totalitarianism."

"Men forget their mortal weakness, their limitations and also their dignity as human beings when they leave God out of their new order when they seek to de-throne Christ."

"Such in final analysis is the significance of the Nazi creed and of the Nazi conduct. Their official pronouncements and their official deeds show forth the character of the pagan and anti-Christian system."

"We Catholics of Britain support our rulers in their resistance to Nazism. We do so not merely from political reasons but mainly because a pagan system seeks to stifle by violence the liberties of Christ's followers wherever it raises its ensign."

Vicar General Named As Toledo See Holds First Diocesan Synod

TOLEDO — The Rt. Rev. Msgr. R. I. Kinnane pastor of St. Mary's Church, Tiffin has been appointed Vicar General of the Diocese of Toledo, the Most Rev. Karl J. Alter, Bishop of Toledo, announced at the preliminary session of the diocese's first synod.

It was also announced that the decree making effective the new Code of Diocesan Law, the principal fruit of the Diocesan Synod will be promulgated at the Solemn Synod Session in Rosary Cathedral, Nov. 18.

The new statutes of the 30-year-old diocese have been voted upon by the synodales and will be subject to study by Bishop Alter. Since the Bishop is the lawmaker for the diocese by virtue of his office, his power includes the right to veto the decisions of the synodales.

The new code as voted upon by the synodales, has been in preparation for three years. Committees of priests in each deanery prepared material for consideration and each deanery forwarded to the Bishop the statutes that had received a favorable vote in the deanery conference.

The synodale who participated in the synod include all Pastors, religious Superiors, heads of seminaries, and priests of at least 10 years' seniority.
