DIES IN CHINA

Most Rev. George Weig, S.V.D.

Bishop, 34 Years In China Missions, Dead

TSINGTAO, CHINA. Word of the death of the Most Rev. George Weig, S.V.D., Vicar Apostolic of Tsingtao, Shantung Province, China, has just been received at the office of the Mission Procurator at the headquarters here of the Society of the Divine Word in the United States.

Born in Bavaria in 1883, Bishop Weig was ordained at the age of 24 and sent to China where after 21 years of strenuous missionary effort, he was placed in charge of the Vicariate of Tsingtao. The last 15 years of his life were spent in expanding the missionary apostolate in this Vicariate.

Tsingtao was the first Vicariate to be created from the former Yenchowfu Vicariate which at first comprised the whole southern half of Shantung Province, but has now been separated into five mission Vicariates. From the 3,500,000 inhabitants in the jurisdiction Bishop Weig and his 20 missionary priests and Brothers have won 2048 converts.

difficulties of maintaining family life with the mounting cost of living. In union with the Holy See, we have on many occasions, condemned the evils of unrestrained capitalism. At the same time, in union with the Holy See, we hold that our first and most fundamental principle, when we undertake to alleviate the condition of the masses must be the inviolability of private property.

Pope Leo XIII declared religion teaches the laboring man and the workman to carry out honestly and well all equitable agreements freely made, never to injure capital nor to outrage the person of an employer, never to employ violence in representing his own cause, nor to engage in riot and disorder, and to have nothing to do with men of evil principles, who work upon the people with artful promises, and raise foolish hopes which usually end in disaster and repentance, when too late. Religion teaches the rich man and the employer that their work-people are not their slaves, that they must respect in every man his dignity as a man and as a Christian.

HOPE FOR UNITED LABOR
Popes Leo XIII and Pius XI expressed their approval of unions for the workers. As we think of the present difficulties in labor and trade unionism, we express the hope that the leaders will be well advised for the welfare of the workers of the nation; that they will keep before them the common good of the country; that they will refrain from doing anything that is harmful to the general welfare, and that they will come forth from the emergency of national defense united in closer cooperation with all right-minded employers and deserving the commendation of the general public.

If we trust in God we shall be constant in prayer. We shall pray for all the world, but especially for our own country; for the well-being of the Church, and for unity among our citizens. We shall pray that the Holy Spirit may enlighten, guide and strengthen our Chief Executive, the Congress, and all who bear the grave responsibility of government in these difficult days.
