#### The Paper Drive Is On . . . . .

Any old papers or magazines today that are lying about your house and yard. Don't let an opportunity go by to add to your supply of papers or magazines so that the paper drive can go over the top by the time you leave for your Christmas holidays.

By this time Sister has undoubtedly given you the sheet of instructions telling you how to collect and arrange your paper bundles. Read the instructions carefully and follow them closely.

The Martin de Porres House on the corner of Sardis afternoon for the first time. The Veterans' Club members were busy as bees getting ready for the grand opening. Surprises were being laid out on the floor. The house was arranged with the walls painted good friends donated furniture, pictures were tastefully arranged and a little shrine in honor of Blessed Martin de Porres, Patron of the House was prepared in a place of honor. Soon classes in catechetics, adult classes and recreational work will be begun. The Veterans are counting upon you to help them keep this mission work going. How? Simply by saving at least a paper or a magazine a day all during November and the first few weeks in December.

#### Mission Report for the Week

It seems the milk boxes are no sooner emptied for the ransom of one baby than the first penny goes in to start on the next.

The Sixth Grade of St. Monica's School writes in for the first baby of the year for them a little Chinese boy to be called John Francis.

The Fourth Grade of St. Monica's has put in a petition for Twin Indian boys to be called Mary Anne and Joseph. We'll do our best to find twins. If not, we are very sure that we can find a fine little Indian boy and girl. Perhaps the Holy Childhood Office can even send us a picture of them so that you can see for yourself.

St. Margaret Mary's mission workers have apparently been hoarding their savings for one grand surprise. Request for SEVEN adoptions arrived on Tuesday morning bright and early. This is the report:

- 4th Grade Chinese baby John Robert
- 5th Grade Negro baby Mary
- 6th Grade Chinese baby Theresa
- 7th Grade Indian baby W. J.
- 7th Grade Chinese baby . . .
- 7th Grade Chinese baby . . .
- 8th Grade Chinese baby Charles

And tucked in the letter was a check for \$33.70 dues. A splendid record and many thanks!

The Sixth Grade of St. Boniface School has already set about working for the Martin de Porres House. A check for \$5 will be turned over to the treasurer of the

House. While we are at it, you know that the Veterans too will want to write you. In fact you may not have time to write your gift and how it will be used.

St. Andrew's School keeps us busy with the Fifth Grade. This week the Fifth Grade will want a little Eskimo baby to be called Donald Selward. The girls of the Fourth Grade are busy working hard to raise their little baby an Indian girl to be named Janet Schneider. Mary Virginia is to be the name of the little Chinese girl which the girls of the Eighth Grade North are raising. The pupils of the Seventh Grade North want to be full fledged members of the Holy Childhood Association. They have sent in \$5 in dues for admission.

#### Only Thirty-seven More Days To Christmas!

Since Christmas is so near to town and so have the Holy Childhood Christmas seals.

You will like the seals when you see them. They are different from last year. Our Lady is holding out the Christ-Child to a little mission child to hold in his arms. That is what you are doing too, by your mission work. You are praying and saving your pennies so that hundreds of little pagan children may learn the beautiful Christmas story of how God came into the world as a little child and then they too on Christmas day may receive the Christ-Child into their hearts.

Your family and friends will want these seals for their Christmas packages. Tell them to shop early.

### Grateful For Mission Aid

Editors CATHOLIC COURIER

I am happy to acknowledge the many services your organization offered in publishing the events of Mission Sunday. In this very critical time you generously gave space in your newspaper drawing the attention of your readers to the urgency of the mission appeal this year.

You will be gratified to know that the returns reported to date show a very healthy increase over last year. We might well explain the gain as due to improved conditions and more widespread employment. Such an explanation is, however, in my opinion but partial. I am convinced that your news releases, editorials, etc., played no small part in the results.

I am personally grateful for your generous cooperation in this matter and would presume to bespeak a word of thanks to Bishop Kearney's name for your welcomed assistance.

### Priest's Book In 4th Printing

"Angel Food," a book of stories suitable for reading to children written by the Rev. Gerald T. Brennan, pastor of St. Bridget's parish, Rochester, has gone into its fourth large printing. It was announced today by the Bruce Publishing Company, Milwaukee. Possessing the happy faculty of writing on the child's own level without the least suggestion of condescension, yet in complete understanding and sympathy for the child's interests, Father Brennan tells 31 stories about such favorites as Snow White, Charlie McCarthy, Skippy and Popeye.

Besides this book, Father Brennan has three others to his credit and is at work on another. The titles are "Angel City," "The Ghost of Kingdom Come," and "The Man Who Dared a King."
